

# Convict Trash

Run 1757: 20<sup>th</sup> July 2020

Hare: Brockie - Sutherland

Welcome to the Trash Semi-COVID version.

The edict went out from **Spinifex** that there would be no Bucket or Circle this run. What a turn-up on that basis!!

Most of us sat in our cars as the dutiful Hash Cash turned Hash Health – **Dirty Weekend** - gathered signed details on our Symptoms, Names, Mobile numbers and Recent Sexual Activities. Once **Dirty** realised that COVID wasn't an STD, she amended the data collection to Symptoms, Names, Mobile numbers and Who Needs some Sexual Activity.

It was freezing! The walkers including **Bower Bird, Cannon Mouth, Dish, Sniffer, Goldmark, Goon, QR, Slotcard** and Bucket-less **Doc** and **StopCock** (joined by **Rabbit**) were rugged up. Runners, **Cold Duck** (map and chalk in hand) **Grewsome, Scotch Mist, Tickle, Short 'N Curly, Scott, HellSmellHer, DoubleBanger, Bingo** and **Dundee** were just keen to get out, get back and warm up! **Blondie** was off duty as Trail Master and lead the Pack out!

## Run Report

### Brockie's Bitterly Basic Breathtaking Bolt

A cold night sitting in the car awaiting 6:30, listening to some sex talk on the radio about how the smell of sex was the catalyst to pure excitement, I was reminded of an old mate, who reckoned the smell of sex used to turn him off cause, all his girlfriends, would take a look at the size of his dick and shit themselves.

But then the time for the run approached and we carefully exited the vehicles to be confronted with the **Duck** acting as TM, which suggested he had some input as to the run vagaries and what would be more of a problem, it would have heaps of Checks and On Backs, that he would insist we all check, cause he's too bloody lazy to run very far himself. (How's that **Bingo?** - she reckons my punctuation is shit and I use ampersands instead of and and and and and etc., why would you use extra letters when one would do?).

*(Ampersands removed – Editor's prerogative)*

Heading out south from the park to the first On Back, we headed back north to catch the walker/talkers, then turned back west to cross into the park next to the cemetery, to a Check, where **Scottish Mist** and **Andrew** found the trail heading into a very dark park, with no arrows, so we meandered around for a few minutes until **Scott** noticed **Duck** waddling off north to that road that runs from Wheatley Road back west towards the Woronora River.

**Grewsome** and son, **Cameron**, were haring off (*please explain*) to another On Back on that road when it was noticed the bloody TM was directing everyone back north down a side street; no calling or notifications to the front running athletes, who were attempting to follow trail. Down a steep hill to another On Back and **Dundee** was heard to remark "that's the last bloody (I think he said fucking actually cause he lacks literary skills and had spent too much time with **Slops**) On Back I'm doing tonight". Bloody stupid remark 'cause everyone knows he's too much of a dope to follow trail anyway.

Heading back up towards the rail line, trail was found by **Short 'N Curly**, when everyone else ran the wrong way, led by **Duck**, who was intent in not running far from the bucket and didn't follow trail; we encountered the walk bridge over the rail line and another bloody Check. **Double Banger** and **HellSmellher** were shown the trail heading up another long hill to the underpass for the main road to Menai, which runs off the Old Princess Highway, which runs off the New Princess Highway at Kirrawee – just making everything clearer.

Just when we all thought "Ok, now it's a quick dash back to the non-existent bucket" **Duck** had decided we hadn't run sufficiently far enough even though it was now almost 7:30. He headed us down to the Swimming Pool area. **Grewsome** was exhibiting his experience and age skills by following trail when **Bingo** and **Dundee** decided they'd had enough and were shortcutting back to the car.

Well organised Run **Brockie**, in a bloody big circle around Sutho, best you arrange for **Blondie** to be TM next time so we can get completely lost.

On On **Anonymous**.

## RA's Report

**Cold Duck** would have delivered the following:

Sutherland

Welcome to 'Sutho' as we locals call it.

Sutherland has 4 calls to fame:

1. Original home of the mighty Sharks (*my eyes are glazing over already*). Entered First Grade in 1967 and played first 3 or 4 years at Sutherland Oval just near the Cemetery.
2. Named after a crew member of the good ship Endeavour that Cook sailed into Botany Bay in 1770 – Forby Sutherland. Unfortunately, Forby died of consumption while the ship was anchored in Botany Bay and he is buried at Kurnell. Forby was therefore the first known non-aboriginal to die in Australia.
3. The Woronora Cemetery which opened in 1895 after the main Sydney Celerity in Devonshire street in the City was closed to make way for the Central Railway Station.
4. 3 Victoria Cross recipients are buried in the Woronora Cemetery – William Currey, John Hamilton and Blair Wark from WW1 – 2 from Gallipoli and 1 from the Western Front – all 3 survived the War which was unusual as half of VC recipients died in action. They all received their VCs for attacking machine gun nests on their own, putting those guns out of action and saving many lives.
