Run 1777: 7<sup>th</sup> December 2020

Hare: Cold Duck - Kareela

## Starters Gun

Everyone seemed ready and raring to go. The Hare Cold Duck was wondering around telling all we had to be in the restaurant by a quarter to 6, which was revised to a quarter to 7 and eventually a quarter to 8.

Bingo called time and off went the runners Blondie, Dundee, Grewsome, Cameron, Hellismellher, Joker, Merkin, Pig, Sir Les and Tickle, Hot Dick and Ice Box all hoping that the run would not be too hilly or long as it was a hot night and heading toward the road, only to be seen heading back down toward the Club a little while later.

Ringless, the first walker to return said he had done enough, but the more resilient in the group, Dirty, Dish, Doc, Goldmark, Goon, Hannibal Lector, QR, Sniffer, Stopcock, Taxing and Venus endured the delights of the hilly trail a little longer before returning to open their own bucket.

## Run Report

### Duck's Debauched Dizzy Dilemma

So here we were at the beginning of a new committee, looking for a nice easy lope to start the new year, then **Duck** announces "gee there are a few hills around here". The silly old bugger only lives across the road & even blind Freddy knows that anything at river level in the Shire is bound to have bloody hills & heaps of them. Not only that but he then chose to start the run up the steepest of them – Box Road, where people have been known to experience oxygen deprivation.

Kirrawee is one of the best examples of the above & the only way to overcome the problem is to slowly advance up to the highest point & find a way of staying there, until you have to return to bucket. But no, not this little duck, finding every bloody hill in the suburb & making us run up & down them a number of times for each one – **Joker** was grinning like Cheshire Cat & giggling as he's completely brain dead & sick, enjoying running up hills.

I've been looking for something nice to say about the run & all I can think of is that the Hare decided to do it twice, almost makes me want to giggle as well. Shit I'm only 77 & don't know how many of these bloody things I have left in me but I think the times have reduced after that run. Altitude sickness, busted knees & PTSD are just a few of the results of the excursion – ha ha excursion! I think I'm suffering delirium.

In respect to the 2.5 out of 10 given it was only because I like & feel sorry for him & that's my whinge for the year.

On On Dundee.

## RA's Report

Was not provided by the RA due to time constraints but this is what you missed hearing.

Kareela

A pretty boring suburb

Sylvania Heights on the good side of the golf course much more interesting

Kareela developed as a Housing Estate in 1953

Originally called Sylvan Headland

Kareela being Aboriginal for "place of trees and water"

Never noticed, but a number of streets named after Sydney to Hobart Yacht winners eg. Rival St, Siandra Drive, Ingrid Road ????

Most famous thing is the Golf Course and Club

Course originally part of Oyster Bay – in 1969, they reclaimed land and turned it into a Golf Course

Opened in 1970 as Salisbury Golf Club

I have vague recollections of going to Discos there in the early 70's ???

Average House price \$1.2 Million

## Prick of the Week

Joker was nominated for saying this was his first run since March and yet he was out leading the pack.

Pig nominated Duck for struggling to go down in an elegant fashion when marking an error.

Sir Les nominated Hannibal Lector for walking a bit and then running a few metres, and then returning and changing his gear.

## Prickette of the Week

Grewsome nominated Dirty for bringing along a bottle of ice.

Pig nominated Tickle for whinging about Pig not running last week.

Prick: Hannibal Lector      Prickette: Tickle

## OLDER EMPLOYEE PEOPLE - TAKE NOTICE!

Due to the current Covid, financial situation causing a slowdown in the economy, Government has decided to implement a scheme to put workers of 50 years of age and above on Early, Mandatory - Retirement, thus creating jobs and reducing unemployment

The scheme will be known as **RAPE** (Retired Aged People Early).

Persons selected to be **RAPED** can apply to Government to be considered for the **SHAFT** program. (Special Help After Forced Termination).

Persons who have been **RAPED** and **SHAFTED** will be reviewed under the **SCREW** program (System Covering Retired-Early Workers).

A person may be **RAPED** once, **SHAFTED** twice and **SREWED** as many times as Government deems appropriate.

Persons who have been **RAPED** could get **AIDS** (Additional Income for Dependants & Spouse) or **HERPES** (Half Earnings for Retired Personnel Early Severance).

Obviously, persons who have **AIDS** or **HERPES** will not be **SHAFTED** or **SCREWD** any further by Government.

Persons who are not **RAPED**; and are staying on will receive as much **SHIT** (Special High Intensity Training) as possible. Government has always prided themselves on the amount of **SHIT** they give our citizens.

Should you feel that you do not receive enough **SHIT**, please bring this to the attention of our **MLA**, who has been trained to give you all the **SHIT** you can handle.

Sincerely,

The Committee for, Economic Value of Individual Lives (**EVIL**)

PS – Due to recent budget cuts and the rising costs of electricity, gas and oil, as well as current market conditions, the Light at the end of the Tunnel has been turned **OFF**.
