

# Convict Trash

Run 1780: 4<sup>th</sup> January 2021

Hare: Dundee – Sutherland

## Starters Gun

Well at 5pm it was bucketing down at Sutherland and anyone present and thinking of doing Hash was wondering if Hash was a new swimming event.

But by 6.30pm it was amazingly dry and off went the pack led by Dundee who had only had enough time since 5pm to set half a trail.

## Run Report

### Dundee's Dry Dauntless Dash

Sir Les was asked to score the run. Don't kiss me Dundee but I thought it was a very nice run. I enjoyed it. Good run.

Score 9 out of 10

## RA's Report

Sutherland named after Forby Sutherland

Who is Forby Sutherland?

Was on the good ship Endeavour with Jimmy Cook when it sailed into Botany Bay in April 1770

He was a Scotsman and was a Poulterer – he prepared game birds for the table of the Officers on the Ship

He died on 30<sup>th</sup> April 1770 of Consumption – Tuberculosis (or did he get a chicken feather caught in his throat)

He was buried at what is now Kurnell a few days later, becoming the first known British subject to be buried on Australian soil

Captain Cook wrote in his Diary: "Last night, Forby Sutherland, Seaman, departed this life and in the am his body was buried ashore, at the watering place, which occasioned my calling the south point of this bay, after his name – Sutherlands Point

There is a memorial at Kurnell in honour of him, and a park across the railway line near the Council Chambers, named after him.

## Prick of the Week

## Cricket

With the Cricket season well and truly underway here is a simple explanation of the game –

You have two sides, one in the field and one in. Each man that's in the side that's in goes out and when he's out he comes in and the next man goes in until he's out.

When they are all out, the side that's out comes in and the side that's been in goes out and tries to get those coming in, out.

Sometimes, you get men still in and not out.

When both sides have been in and out, including the not outs, that's the end of the game.

## St Patrick's Day weekend – East Maitland

Hunter wineries - Friday - Sunday 19-21 March 2021

Loaner and Squaw are ready to welcome us all again for a repeat of the fabulous weekend at the Hunter Valley wineries.

Same format as previously: order in pizza on Friday night.

Car pooling to the wineries on Saturday and back to our place for dinner in the evening.

Squatting will provide the dinner, we bring nibbles etc and our breakfast for Sunday morning

Accommodation: we can offer two queen rooms, and floor space for two single mattresses.

Garden space if anyone wants to pitch a tent and road space for campervans. First in, best dressed.

There is also the Endeavour Motel, five minutes walk from our house with plenty of rooms.

We'll do a winery on Saturday morning, go to Hunter Valley Gardens for lunch and then a winery in the afternoon.

Anyone who wants to go to another after that can do so, if we have the flexibility of cars. (If you want to organize to come in a bus from Sydney then that is your call).

At this stage I have made a booking at Thomas Allen Wines, which is the one, the five girls (including Loaner) went to after we finished at Petersens and was very popular.

I have booked for 10.30am and they have given me a limit of 20 people.

Please text or email if you'd like to come. Loaner 0435 905 745/Squaw 0432 508 252 or mcalison@email.

The AGPU for 2020 will held on Saturday 13<sup>th</sup> March 2021. Venue is yet to be confirmed.

The theme is "Disaster" as in Flood, Covid, Trump and Emergency workers eg Police, Firemen, Ambulance, Nurses

A great dunny read coming your way again....
