

Convict Trash

Run 1783: 25th January 2021

Hares: Dish and Goldmart - Mascot

Starters Gun

After days of hot oppressive weather, a refreshing cool breeze arrived this afternoon, the Hash gods at work again. For a change everyone arrived early raring to strike out around Mascot.

The Birthday twins and hares had their mini bottle of champagne ready to start celebrations early. Should we change their names to Arni and Danny?

Run Report

Dish and Goldmart's Delightful Glorious Dance

Not sure who the stand-in Trail Master was for the run but Pig volunteered to give a short review saying he thought the run was fabulous.

Excellent in fact. Some good short cuts.

Well done. Score 8½

RA's Report

In honour of Australia Day I looked back at the first Hash Trash produced by the First Fleet Hash House Harriers and found these interesting pieces of information.

Here is a report from a group of First Fleet Hashers who were receiving a trail. They came across a group of Aboriginal chaps. The Hashmen were clothed, the other chaps enjoyed the 'nude lifestyle'. The Hashmen had shaved and the Aboriginal chaps were not sure about them.

"They wanted to know of what sex we were, which they explained by pointing where it was distinguishable, as they took us for women, not having our beards grown. I ordered one of the Hashmen to undeceive them in this particular, when they made a great shout of admiration, and pointing to the shore, we saw a great number of women and girls, with infant children on their shoulders make their appearance on the beach, all in puris naturalibus – pas meme la fuelle de figueur. (Naked, not even a fig leaf).

The critic Robert Hughes said of this;

"...it was the first white cock flashed on an Australian beach'.

The Harriettes on the First Fleet were very popular and had friendly natures. There were more than 700 convicts but fewer than 200 were Harriettes. The sexes had been kept apart for at least a year.

The Harriettes were allowed to leave their ship and this is what was reported in the Hash Trash;

“ The sailors of the Lady Penrhyn (imagine a whole crew of SLOPS’s) obtained a double ration of rum to celebrate the offloading of the Harriettes, and fortified with the ardent spirit they soon found amusement singing, fighting and fucking” .

Lieutenant Clark said;

“ Good God what a Seen of Whoredom is going on there in the Harriette’s camp.... I would call it by the name Sodom for there is more sin committed in it, than in any other part of the world”.

ON ON HL.

Prick of the Week

Pig nominated Goon for telling him to go up this way because that way is a False Trail, and he was proved wrong, I think.

Dundee nominated Pig for saying he was a runner Pig has lost 14½ stone and now he walks. WTF!

Prickette of the Week

Tickle nominated Spinifex for saying it was more exciting to be a Walker rather than a Runner. So very RUDE!

Pig nominated Spinifex for wearing a Brisbane Hash House Harriettes shirt.

Merkin nominated Blondie - we go on the run and Blondie is missing. Goldie is worried and then she arrives through the back door.

Pig nominated Bingo for spilling her drink. Cardinal sin spilling alcohol but she was excused.

KEEPING A SHARP MIND IN RETIREMENT

As we slowly move through retirement, we need to keep ourselves occupied with small projects.....

Like this guy.

I know, I saw it right away too....

No safety glasses or hearing protection.

And I caught something else that is really important....

He has no gloves on.

I might be up in age but I am still sharp as a tack!

AND NOW FOR A LAUGH!

An old Australian priest lay dying. He sent a message for an Australian Tax Office Supervisor and his Lawyer to come to the hospital.

When they arrived, they were ushered up to his room.

As they entered the room, the priest held out his hands and motioned for them to sit on each side of the bed.

The priest grasped their hands, sighed contentedly, smiled and stared at the ceiling.

For a time, no one said anything.

Both the Australian Tax Office Supervisor and the lawyer were touched and flattered that the old man would ask them to be with him during his final moments.

However they were also puzzled because the priest had never given any indication that he particularly liked either one of them.

Finally, the Lawyer asked, "Father, why did you ask the two of us to come here?"

The old priest mustered all his strength, and then whispered weakly....."Jesus died between two thieves, and that's how I'd like to go."

HOW TO START A FIGHT

One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift...

The next year, I didn't buy her a gift.

When she asked me why, I replied,

"Well, you still haven't used the gift I bought you last year!"

And that's how the fight started.....
