Hare: Merkin - Woollooware

Starters Gun

We were back in the Shire for a run from one of our favourite places, Woollooware Golf Club. Given the number of runs set from this venue will the Hare surprise us with something different?

But the big question was, will we get the Run, the Bucket and Circle in before the rain comes. Almost, we had to contend with some drizzle!

Run Review by Grewsome

I got the chalk out ready for the Run when Andrew tapped on the arm wanting to be Trail Master again.

All in all, a good run with long stretches, zigzagging here and there, saw some pretty good surf.

There was a half way bucket of refreshing Ginger Mack shots at Merkin's home. As Tickle mentioned last week, a good run is 6K long, 6 Checks and 6 On-backs. Well tonight's run was 7k, had 5 Checks and 5 On-backs so I will award this run 5 out 7 which equates to 8 out 10.

RA's Report

Woollooware

- Before 1950, not much here – just swamp and forest
- Aboriginal meaning “a muddy track”
- Famous for:
 - Home of the mighty Sharks – shark park
 - Woollooware Golf Club, home of the extinct flightless tall kiwi bird, the Moa Goa
 - Last Oyster farm in the area & maybe Sydney?
- Shark Park has had many names:
 - Ronson Field, Caltex Field, Toyota Park, Toyota Stadium, Remondis Stadium, Southern Cross Stadium and Pointsbet Stadium, but it will always be Shark Park

- Sharks only Club in the NRL to own their own ground

One remaining Oyster farm has survived, just east of Shark Park – it's over 100 years old. NSW Govt has been trying to close it for years, because they believe it's contaminated, but they keep surviving. Georges River was the birthplace of Oyster farming in Australia.

Average home price \$1.6 Million

Run Report

A Merry Meander around Merkin's backyard.

The pack gathered out the front of the Woollooware Golf Club, it seems that with every venue requiring an electronic sign in, the pack are starting to revert to warm up exercises in the car parks rather than the pubs front bar!

Merkin pulled me aside and explained that it should be pretty straight forward - head east as long as you can and at the point of getting very wet, turn and find your way to my garden for a 1/2 way bucket. I could barely believe that my watch now read 6.30 and Bingo was not revving everyone up - we set off at 6.31!!! on the long straight section heading east.

Duck was leading the way and promptly found both On Back & Check. We then meandered through the back streets of Woollooware passing Schools and Shops before heading down the hill into Cronulla. At this point I offered a short cut to DoubleBangher, HelliSmeller, Tickle & Blondie.

All but Blondie accepted, as it seems that Blondie had lined up a hot date with Cold Duck as at the very next corner so she followed the Duck as he was reluctant to turn north on Eloura Rd.

The pack made their way to the beach front but not one person was interested in turning towards Wanda Surf Club so that on back was avoided, and the front runners ran along "The Wall" past North Cronulla Surf Club and turned into the Kingsway, the front runners now had picked up the scent of a 1/2 way bucket and when Dundee hit an on back in Holland St he just ran through as he knew the way to Merkin's palace. I arrived at the back of a strung out pack to find a fabulous selection of Ginger Mack shots being served up by Brazilian & Thong.

Feeling refreshed we got going again - it took a little effort to convince Andrew to carry on as he thought the 1/2 way bucket was actually 1/2 way but I explained it was actually a 5/6th bucket - Everyone except Dundee turned off Woollooware Rd and zigzagged down to the lights at Gannons Rd.

We hit an unexpected "On Back" that was just ignored as the bucket was too close, we ran through Jenola Park and Cameron & Andrew felt the need to put in a sprint finish (I am struggling to keep up now!!).

All in all a good run & work out with Merkin awarded an 8/10 score..

Prickette

Dirty Weekend nominated Moa Goa as this was second time she said she was coming and didn't turn up

Merkin nominated Slot Card who went for a walk but didn't make it to the half way bucket.

Prick

Brockie nominated Cold Duck for saying the 'Pricks' are the Master Race. In his own mind, anyway.

Cold Duck nominated Joker – we were running along, and Joker asked me “how heavy are you?”. I said so much, and he said “No you're heavier than that”

Prick Joker Prickette Slot Card - the long and short of it!

SMART ASS ANSWER

A college teacher reminds her class of tomorrow's final exam. 'Now class, I won't tolerate any excuses for you not being here tomorrow. I might consider a nuclear attack or a serious personal injury, illness, or a death in your immediate family, but that's it, no other excuses whatsoever!'

A smart-ass student in the back of the room raised his hand and asked, 'What would you say if tomorrow I said I was suffering from complete and utter sexual exhaustion?'

The entire class is reduced to laughter and snickering. When silence was restored, the teacher smiled knowingly at the student, shook her head and sweetly said, 'Well, I guess you'd have to write the exam with your other hand.'

A little known fact!!

Did You Know This About Leather Dresses?

Do you know that when a woman wears a leather dress ,

A man's heart beats quicker,

A great dunny read coming your way again....

His throat gets dry,

He gets weak in the knees,

A great dunny read coming your way again....

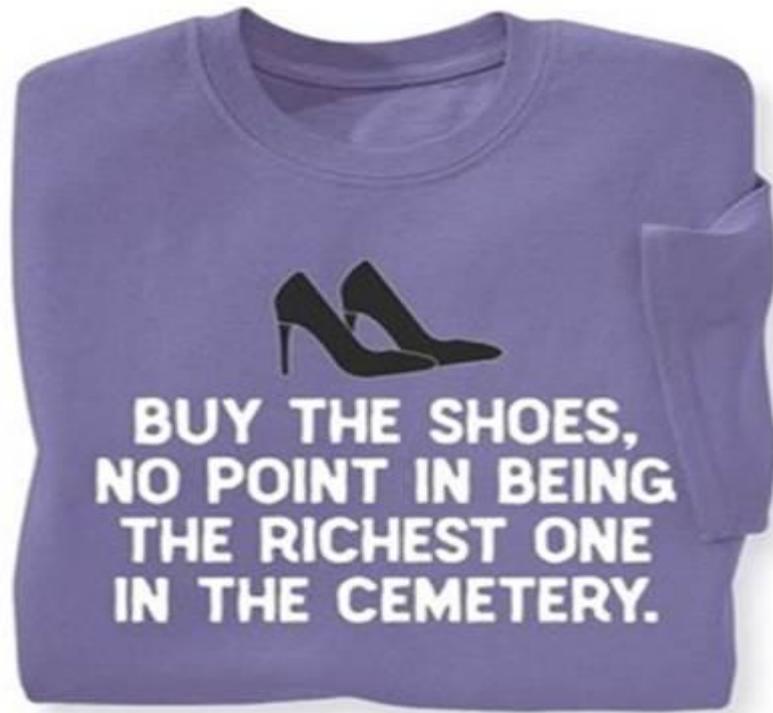

And he begins to think totally irrationally.

Ever stop to wonder why?

Well, it's easy

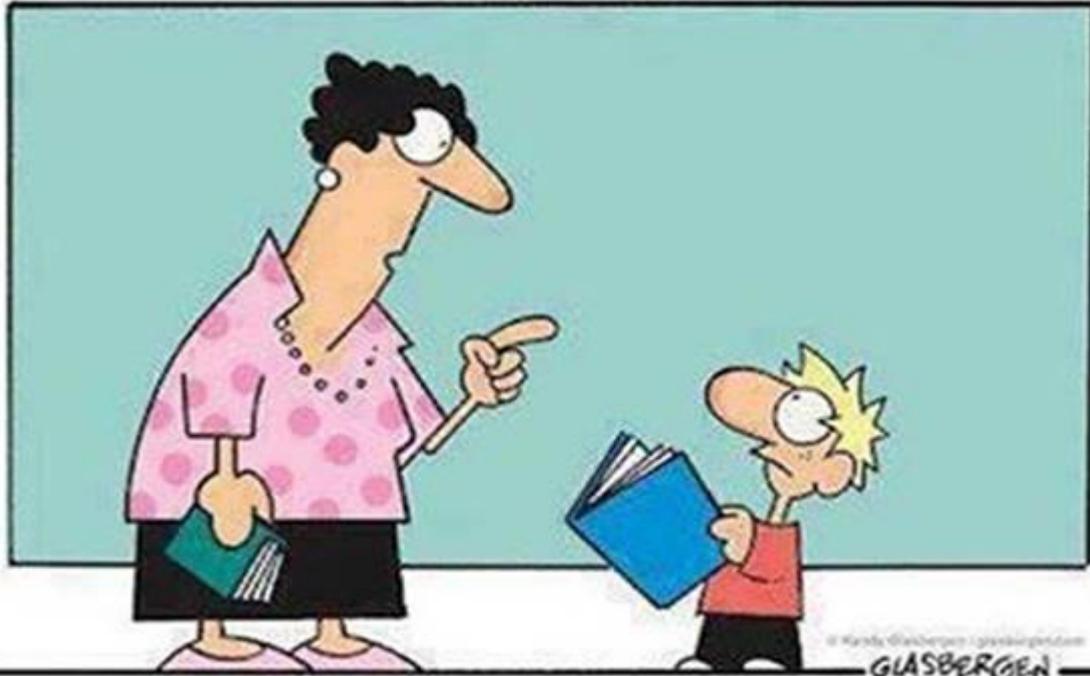

She smells like a new car !!!

A great dunny read coming your way again....

It's called **reading**.
