Run 1792 – 29th March 2021

Hare: Moa Goa – Cronulla

Starters Gun

Gathering for our first run at Cronulla in some weeks, if you do not count the run from Woolooware last month, that took Hashers close to Cronulla, there was a big roll up of members who were keen to see some of the beautiful scenery of the Shire.

We were spoilt by a visit from Mudflap. Always lovely to see her, but as usual, minus Joystick who cannot cross the road to say hello, shouldn't be surprised as he used to not cross Tom Ugly's Bridge for a run either, I believe.

Everyone was looking at the triplets, Hot Dick, Ice Box and Sir Les wondering why they were all sporting the same pink jersey, they had been to Canberra for the weekend participating in and enjoying the Tour de Pisse. How unusual, Hashers who enjoy a drink or 2!

Run Review by Dame Nellie

I was on the run with Merkin, Grewsome, Scotch Mist, Andrew and Tickle, trying to keep up. Really good run, lots of checks and on backs, it was good going through the water at the beach, enjoyed the bloody sunset. Run was about 7½k. Score 8 ½ out of 10

Visitors - Mudflap, Scott on a short holiday from work, and Dame Nellie and Kizzme, our country members

Birthdays - Doc who was celebrating his birthday the following day

Run Report –

Moa Goa's Mad Mystery Meander

A large pack gathered in the sunshine for the last Daylight Saving Run of the summer - although Autumn arrived 4 weeks ago I always think it is still summer until Daylight Saving ends!

Moa was about to brief Cold Duck on run details when we arrived in the car park, it was only 6.25 (some people have so little faith!).. The pack were super keen to get away on the run and time was called at 6.29. (Apparently we were not going by Bingo's watch today). The trail faked with a loop to the north but as soon as we completed the on back in Caronia St the pack had the idea that this would be an Esplanade run - we took a narrow path back down and under the railway to get us into Tonkin oval. Blondie found the check as Front Running Cold Duck had spotted the Moa's map and had started cutting his way towards the boat ramp.

The pack stuck together as we ran through Gunnamatta Park and along the beach (lucky it was low tide) - we lost a couple of runners up the first on back but at the next exit path 3/4 of the pack decided that there trainers were too precious to expose them to salt water and they short cut up to Nicholson Parade. A trusting crew of Merkin, Dame Nellie, Scotch Mist & Grewsome followed TM Andrew around the foreshore (Merkin, SM & DN removing their shoes). As we approached Darook Park I caught site of the Short Cutting pack so Andrew and I took off to keep the pack on track whilst those without shoes puffed around in the sand.

This effort was really to no avail as although we caught up to Dundee and Bingo at Salmon Haul they ran through an On Back and were not seen again - actually none of the Short Cutting front runners were seen again as Andrew and I ran on our own for the rest of the trail.

When we arrived at the bucket I found all of the Short Cutters guzzling beer and champagne and found that Cold Duck was telling Moa that there was no trail to follow - well it is obvious that he was off trail and it would be very unusual to find trail there.

Al in all a good run set by Moa with an interesting trail set across the beach with the incoming tide providing an excellent water crossing - this brought back many memories of early B2H3 has runs where you often ended up with wet shoes and made sure you always had a spare pair in the car for the On In.. I have attached below a map with the trail marked in red and an overlay of the trail followed by Dundee in black.

RA's Report –

Cronulla

- Aboriginal for “place of small pink seashells”, and home to that mysterious little creature the “Joystick”
- We have had many runs here so have covered most of the History here
- So tonight I am going to focus on an infamous event – the Cronulla Riots
- Happened in December 2005 – 15 years ago
- Trigger was weekend before the Riots, when a group of Middle Eastern youths had a confrontation with Lifeguards. It is alleged 2 Lifeguards were assaulted.
- It made talk back Radio (Alan Jones) which inflamed the situation, and calls went out via text messages to assemble at North Cronulla Beach the following Sunday (11th December) to protest again middle eastern youths “stealing our beaches”.
- 5,000 turned up, and it soon got out of control, mostly due to the demon “alcohol”
- One Middle Eastern youth was attacked out the front of Northies after he allegedly yelled out “I’m gunna blow yous all up” (smart move)
- The crowd was chanting “Fuck off Leb’s”
- A convoy of cars left Punchbowl seeking revenge, first going to Maroubra where a number of locals were assaulted (Where were the Bra Boys when they were needed ?)
- Some cars went to Woolooware Golf Club. Where a guy was repeatedly stabbed. Moa was hiding under her desk.
- Unfortunately, it put Cronulla on the map all around the World for the wrong reasons.

Prickette

Merkin nominated Muddie. She only comes over here once in a blue moon, didn't come to my run at Woolooware, and didn't drag the old boy along tonight.

Grewsome nominated Ice Box because when he asked her about her shirt, did you go on that bike riding weekend, Ice Box answered Yes but I didn't drink any beer.

Prick

Dundee nominated Duck for wearing his sunglasses when it was dark.

Hellismellher nominated Duck for acting like an American Tourist for looking left when crossing a road and almost getting hit by a car on his right.

Scotch Mist nominated Growsome for going upstairs to get the "Athlete" badges but coming down empty handed.

Growsome nominated Duck for all the Hashmen who didn't want to get their feet (or shoes) wet on the run.

SMART ASS ANSWER

The police officer got out of his car as the kid who was stopped for speeding rolled down his window. 'I've been waiting for you all day,' the officer said.

The kid replied, 'Yeah, well I got here as fast as I could.'

When the cop finally stopped laughing, he sent the kid on his way without a ticket.

A Native Chicken Broth

Take 4 chickens, chopped, 1 bunch of parsley, 7 carrots, peeled & topped, 6 onions peeled and topped, and whatever vegetables you find. Add a river stone washed.

Cover with Water and simmer till the Stone is soft, Throw away the broth and eat the stone. Otherwise strain the liquid for a reviving broth.
