Run 1806 – 18<sup>th</sup> October 2021

Hares: Grewsome – Woolooware  
Blondie - Mascot

## Starters Gun

The “South Run” Hashers were back in the Shire for another run from Woolooware Golf Club where the security to get into the Club was up there with trying to get into the USA. In fact I think it was harder, proof of Covid vaccinations, QR compliance, Driver’s Licence and entry to the Club if you were not a member. And if you left the Club, you had to do it all again to get back in.

But it was worth it to catch up with fellow Hashers all excited to hit the streets of Woolooware, and have a chuckle and giggle about our exciting lives.

## Run Reviews

### BLONDIE’S BONANZA BONHOMIE

Mascot is proof the world is flat. There is not one hill or undulation in all of the Mascot Shire.

BLONDIE and DOC directed the pack out the back of the car park and we set off ambulating in a bipedal manner.

SPINIFEX decided to run the entire trail and did it twice. She passed us for the second time along Middlemiss Street where HOT DICK admired the house made from shipping containers.

ICE BOX led us along towards Gardeners Road while DISH and GOLDMART admired all the Rabbitoh rabbits painted on the ground and the Rabbitoh flags on the houses that DIRTY WEEKEND must have installed.

TAXING thought we were heading towards Mascot railway station however with a great deal of trickery, the hares sent us back to the bucket.

After a few welcome drinks and horses doovers, we headed into the ZIO PINO restaurant for tea. GOON and TICKLE managed a romantic interlude at a table for two situated next to the rowdy B2H3 table where we all enjoyed the Italian tucker that was served up.

## GREWSOME'S GRUELLING GALLOP

Led by Grewsome, the pack of runners Cold Duck, DoubleBanger, Dundee (rejoined the runners this week even though he was still breathing hard), Hellismellher, Merkin, Sir Les, Pig, Scotch Mist, Andrew and Cameron, headed towards Gannons Road and then headed north along Denman Avenue.

With a bit of zig-zagging the trail ended up at Captain Cook Drive and behind the Shark Park to the foreshores and the Broadwalk along the mangroves, or something like that.

Bingo still unable to run, walked with Cannon, Bowerbird, Grenade, QR, Ringless, Slot Card, Sniffer Dog, and Stopcock enjoyed a saunter around the suburb.

I walked to the Woollooware Station with Meltdown who had joined us for the evening's frivolities but because he didn't have proof of double vaccination could not get into the Club so he decided to go home.

### CHERRY PICKING - November 2021

There are a number of orchards and I spoke to the manager of **Allambie Orchard**.  
Its located at Wombat, [1/2 way between Young and Harden, 15km south]  
3725 Olympic Hwy., Wombat - 0418 462 821  
Pick your own cherries (and test them for flavour while picking), take home price  
is \$9.50/kg.

They have coffee and cherry pie shop and things to buy if you want.

There are other similar orchards with cherry liquors etc & varieties of cherries to
