

Convict Trash

Run 1809 – 8th November 2021
Hare Sir Les - Kirrawee

Starters Gun

Amazingly we gathered in sunshine despite the weather bureau predicting we would get rain on Monday. Sir Les must have said his prayers because since Monday the weather has been wet.

Run Review by Slap

Good to see you all. The trail was a bit of a test, but still a nice trail, we headed off through the park, where we encountered a lot of kids, from there we ran through bush and over some hills in the National Park.

The pack stuck with the Trailmaster. Was a good run, much better than a walk around Cronulla.

Extra points for the beautiful sunset out in the park.

Score 9 ½ out of 10.

RA's Report – presented by Grewsome on behalf of Hannibal who was supposed to be standing in for Cold Duck

Kirrawee has it all.

1 pub.

2 breweries.

2 Clubs.

Many and varied shops.

Kirrawee is world renowned for its architecture.

The best street in Kirrawee is Poplar Place.

Recently South Village was added to the heritage list as a site of global significance.

It joins other globally significant sites including;

Maroubra Seals

Kogarah Tavern and

Taren Point BC car park.

Thank you Kirrawee for making the world a better place.

Next Weeks' Run Hare - Merkin
Venue - Woolooware Golf Club

Prickette

Grewsome nominated Blondie – today she was drinking Champagne all day on the Golf Course (Doc volunteered she only stopped drinking while she slept on the way to the Run)

Prick

Scotch Mist nominated Hannibal Lector for phoning her and asking if he had called Grewsome.

Merkin nominated Ringless – watching him riding his bike to the run, he was looking like the Mad Professor

Grewsome nominated Ringless – Cannon has been collecting \$10 from everyone to get him a haircut.

Ringless nominated Sir Les for sweating 10 minutes ago because no one had returned from the run as yet.
