

Convict Trash

Run 1817 – 10TH January 2021

Hare: Sniffer Dog – Hawkesbury Esplanade

Starters Gun

What a great roll up for our first run of 2022.

I was expecting very few as I knew Cannon and Bowerbird were in Tasmania, and others were also outside of Sydney and some were being Covid cautious, but the remaining Hashers gathered at the Esplanade for a wonderful run and bucket.

Welcome to Katherine who has run with us many years ago prior to having children and thought it would be good to attend Hash again.

Run Review by Grewsome

Sniffer Dog come here for your abuse.

We had an awesome run here about 6 months and the map this time was exactly the same but the arrows were pointing the other way. A bunch of walkers came in over the shore into someone's backyard. I suggested to Cameron that we swim across instead and he wanted to take his shoes off, but there were lots of oyster shells, so I said to him swim with your shoes on. He replied I don't know if I can swim with my shoes on, to which I said remember your swimming lesson where you had to swim in your clothes, so we swam across the water to the Hawkesbury Esplanade Reserve.

The highest score that I can give for this run is 7½ out of 10 - a pretty simple but delightful run

RA's Report –

Taren Point

-
- Been here so many times, not much left to talk about the area

Except possibly a Community announcement

Everyone here tonight will probably need this service sometime in the future – for some, the future is now

-

- Yes, a Retirement Home
- There is a very good one in Taren Point, spitting distance from here – Woollooware Shores

They have apartments ranging from \$700,000 to \$2.5 Million

Fortnightly fees are approx. \$400

It is owned by Anglicare, which commenced over 200 years ago –established in 1856 to help people in need in Sydney

Woollooware Shores offers:

Indoor Pool
Cafe
Beauty Therapist
Nursing Clinic
Gym
Cinema
Library
Podiatrist & Physiotherapist – for the Athletes
BBQ Area
Hairdresser
And weekly Wheelchair races – perfect for Hashers

Why would you need to leave the place ?

Only drawback is that it sits on a Swamp, in the middle of an Industrial Area !

Prickette

Following some discussion amongst us about Woollooware Shores, Dirty Weekend nominated Scotch Mist for asking Sniffer Dog how she knew so much about the place. Have you forgotten that Sniffer Dog knows everything about anything (and everyone)

Grewsome nominated Dirty Weekend as before the run she was amazed at how Ringless was able to find them in the Stands at the Cricket eg. Bay 318, seats ... This is after having sms'd the details to Ringless.

Prick

Grewsome nominated Duck for the triangulation of the photo that Dirty Weekend posted at the Cricket

Dirty Weekend nominated Ringless who found him having drinks in the Gin Bar at the Cricket

Grewsome nominated Ringless for cutting the wonderful long hair that he was sporting following Lockdown
