

# Convict Trash

Run COVID X: 2<sup>nd</sup> May 2020

Hare: Hannibal Lector – Springfield Oregon

## Run Report

In 1992 the municipality became the first in the USA to include anti-gay legislation in its city charter.

A wonderful Hash friendly venue is the Alibi Tavern, also known as the Kogarah Tavern of the north. One favourable comment about it says;

' Its right down the street from a strip club, so its pretty good'.

The local football team is the Oregon Ducks and on game days the Alibi has \$1.00 Duck Farts, which are shots of whiskey, kahlua and Baileys.

Notable people from Springfield include;

Sheila Bleck – bodybuilder, picture attached.

Diane Dawes – child murderer

Kip Kinkel – perpetrator of the Thurston High School shooting.
