

St Patrick's Day weekend – East Maitland – Hunter wineries

Friday - Sunday 12-14 March 2021

Hi folks,

Loaner and Squaw here, ready to welcome you all again for a repeat of the fabulous weekend at the Hunter Valley wineries. Same format as previously: order in pizza on Friday night. Car pooling to the wineries on Saturday and back to our place for dinner in the evening. I'll provide the dinner, you bring nibbles etc and breakfast for Sunday morning.

Accommodation: we can offer two queen rooms, and floor space for two single mattresses. Garden space if anyone wants to pitch a tent and road space for campervans. First in, best dressed. There is also the Endeavour Motel, five minutes walk from our house with plenty of rooms.

We'll do a winery in the morning, go to Hunter Valley Gardens for lunch and then a winery in the afternoon. Anyone who wants to go to another after that can do so if we have the flexibility of cars. (If you want to organize to come in a bus from Sydney then that is your call).

At this stage I have made a booking at Thomas Allen Wines, which is the one the five girls (including Loaner) went to after we finished at Petersens and was very popular. I have booked for 10.30am and they have given me a limit of 20 people.

Please text or email if you'd like to come. Loaner 0435 905 745/Squaw 0432 508 252 or [mcalison@email.com](mailto:mcalison@email.com)
