## Circle Report

**Hannibal** was having another birthday with family so the ever reliable Bucket Master was called in to officiate over run 1564. Not sure of where to begin **Duck** started rambling about the raffle, then the Sharks, who broke their run of outs by not playing on a Monday night, thereby eliminating the **Duck** curse. He then became completely demented by suggesting this year's grand final would be fought between the Sharks & Tigers.

We also then had an involved presentation on the Posh's 50 years of Hashing bash, which is 12 months away so I'll keep the information available until after we've fully exhausted the AGPU celebration.

Kogarah, we were then told was abo for place where hashers meet to get pissed & a bloke was arrested for stealing ladies underwear from local clothes lines but it's well known that women in Kogarah don't wear knickers cause they get in the way when bonking & defecating in the gutter.

## Run Report

Run reporter, **Rimmy** was selected to complete the last rites over **Slops** run as she has an infinite knowledge of what constitutes a well organised trail, having presided over many when trying to find her way home after a big night's piss up. There were plenty of checks & on backs to keep the pack together – in fact after every check there was an on back, which meant he probably lost his way when setting the run cause he was pissed. The run was so well set with plenty of arrows that it, once again, completely bamboozled the TM, who was never sighted after the first check.

She suggested only 5 people completed the run because they lost their way & had to follow the trail so she gave it 5.5 out of 10.

Visitors: - Oswald & Sandra & Peter Dee.

Athletes: - None

Birthdays: - Hannibal & Canon, neither of whom attended cause they were on a promise – Hannibal having a head job & Canon having an early night.

New Shoes: - Joker.

## Prickette and Prick nominations

**Rex** was nominated by **Merkin** for flying to Melbourne to attend the local gayfl match, which was in Sydney but I think he would've got that wrong cause she's a teacher & they don't make mistakes ever, ask their pupils.

**Grenade** was nominated by **Big Ears** for telling him she wasn't cumming or something just breathing hard, which she doesn't need to do when bonking cause all she does is lie on her back like a turtle.

**Duck** was nominated by **everyone** for rushing home to watch the Sharks lose again last week, thereby completing a complete season of disasters for all the supporters.

**Duck** was nominated by **Merkin** for not attending any home games in Sydney but flying to Melbourne to watch next week's disaster. I think the supporters club is organising a pilot strike to coincide with his flight.

**Dunno** was nominated by **Dunno** for

**Dunno** was nominated by **Dunno** for

Just keeping some areas operative for next week so I don't have to do it again (I call them macros).

## **Pricks – Dunno didn't write anything**

Jokes: - none

### 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to ‘return’ to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears

first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

### Dundee's Rant of The Week

Harriettes' Porno - <http://www.msn.com/en-au/news/other/woman-with-huge-45-inch-tongue-which-could-be-the-worlds-longest-can-use-it-to-touch-her-elbow/ar-AAigNzB?li=AAgfYrC&ocid=SL5MDHP>.

I was thinking the other day, men have an Adam's Apple & what do women have apart from an extra rib or something & I saw a young woman with a tight dress & said yes. My friend said yes what? I said yes is the answer. She said what's the question? I said does my bum look big in this & that made me think women have Eve's Peach just before the lights went out.
