Run Report

The pack arrived at the Olds Park Sports club expecting a super run on this Super Moon Monday. We set off around the running track counting down the 100m intervals and allowing the walkers to short cut across the playing fields. The first On Back confused the front runners as it was actually on back around the corner and I needed to point Tickle in the right direction so the on could be found, we then left the park but the clever on backs caught all of the runners and allowed the walkers to keep up.

At the bottom of Morts road Cold Duck found the trail heading back up towards Forrest Rd - I think this was the end of the line for many walkers as the came into sight of the bucket, the rest of us continued our looping run around Penshurst West. Top Buck had laid a very clever loop that had Rimmy commenting on the same early display of Christmas tinsel twice - at the corner of Scott street it became obvious that although Pigs can sniff out almost anything our resident Pig does not have a nose for the trail.

We made our way along Boundary road and found Blondie leading the pack through a number of clever loops - the check on Tournay street slowed everyone down as every option was up hill - a final loop brought us up to Forest Rd and when the trail crossed onto Stoney Creek rd everyone was ready for the bucket!!

Great trail Top Bunk!! On On Grewsome

Circle Report

- Before circling up Loan Arranger dashed through the car park just wearing his RA Cape – a nudie dash!
- Run Reporter Merkin noted the run contained six mad woman's loops (although he depended largely on map he was reading as he missed most of the run. Merkin said Spini was telling him she knew the way from previous runs, his relief was palable. He scored it a credible 9.25.

No Visitors or Birthdays

Prick Nominations

- Loaner for his "Super Moon" flash
- Merkin for thinking it was Spini talking to him on the run, she wasn't even there! It was Rim Liquor.
- Big Ears for recounting the story of his Greek classmate teaching him how to masturbate at age 12.

Prickette Nomination

- Bingo – for walking, but talking so much to make up for all the times she was running
- Bingo – for catching a train to Riverwood instead of Beverley Hills
- Bingo – for setting alarm incorrectly and missing plane home from Darwin

Prick and Prickette: Big Ears and Bingo

On On Doc – guest scribe in JJ’s absence. JJ apologies to Blondie for being unable to “embellish” Doc’s notes as requested. If happy to receive late next week that’s fine. My problem is the bulb has gone out and I can’t see what I am doing. Why don’t I change it? Well there is only me here 😊

“I believe you wanted a light bulb changed.”
