Run Report

As the pack assembled outside the wood fired pizza place in Bonnet Bay there was much chat about the proximity of hills and the belief that whatever way Pseudo decides to take us it will be steep.

Without Bingo to call time at 6.30 I think we may have been 25 seconds late in setting off, at the first check the trail was found up a path leading to the local school, I pointed out to Spinni, Muddi & Goldi that if they looked to further their education they may shortcut a section of the trail. The pack were then fooled by the "Holeproof Tradition" of laying an on back directly from the check, not once but twice. This had the desired effect and the entire pack (runners and walkers) arrived at the 1/2 way bucket together.

After some homemade fruit juice, we set off in search of some bush - the track was actually sign posted but not used often so quite overgrown. This did not bother the front runners as they plundered on, with duck quacking a little more than usual when his feet left the ground and he attempted flight, luckily Sir Les was on hand to cushion his landing!!

We emerged from the bush within site of the bucket, a good run that earned the hares 9/10 from Dundee. **On On Grewsome**

Circle Report

Getting as bad as ye olde Dundee, can't write, can't read, therefore trash is full of omissions, lies and is a complete fabrication of what really happened in the Circle, I love making it up as I go along as much as Donald Trump does.

Speaking of Donald, Duck was the stand in RA, Loan Arranger and Squatting Squaw were elsewhere enjoying the hot and sweaty weather and of course, getting nude. Speaking of nude, have you heard about the Nudie Party? Well, early in the week when it was very hot and sweaty, Nudie members swelled. Sad news is, when the Southerly blew in, Nudie members shrivelled and slipped away leaving only a few brass monkeys.

Run Reporter : Dundee :

Boasted that he knew this area, he didn't, could not even shortcut (first truthful statement that has come out of Dundee's mouth). He and the pack were served up a few surprises by Pseudo.

One surprise was the trail through the mangrove swamp but Duck not happy, didn't want to get his shoes dirty, hang on, I am a duck, I can fly! Yee Haaa! Oops! Shit! Noooo... Undercarriage too heavy, aerodynamics compromised, maiden flight a failure, help! And Sir Les did, stopped Duck mid plunge from kissing a mangrove's bottom and getting a mud skipper up his nose.

Dundee was impressed (impressed!), first time this word has been used to describe a run – Pseudo, you should be impressed that Dundee was impressed – could go on but will stop there only to add that no one was impressed by the bloody great hill from the bay to the bucket. Dundee went on to say (does he ever stop talking...? silly question) there was a cave in Bonnet Bay that looks like... YES – A BONNET.

Visitors

Meltdown (nice to see you back!) and Climax (or Orgasm) not sure which name correct but who cares, same happy ending ☺. Apparently, she is coming slowly, gaining momentum as Christmas approaches - don't ask me, I just write what I hear, pardon?

Prick Nominations

DW nominated **Sir Les** : following her request no one donate stuff to the Christmas raffle that was old (ie: shite) he donates plunger coffee with a use by date of 2015. Sir Les follows hallowed footsteps – mine! I didn't notice either....

Grewsome nominated **Duck**. Judging from the girth of his undercarriage, Grewsome reckons he is being fattened up for Christmas. Last year's "IT" dish was the turkducken so relax, Duck, no turkey big enough to stuff you into.

Prickette Nominations

Grewsome nominated **Holeproof** for her hat (I think). Thought hat comparatively conservative for Holeproof but let's carry on, no mercy shown tonight.

JJ also nominated **Holeproof**, second week running. This is Pseudo's run but Holeproof stands up and gives instructions to everyone and dishes (sorry, Dish) out maps prior to the start at 18.30.25 precisely. So precisely whose run is it anyway, Anyway? – and where is Anyway, anyway? Anyway, is Holeproof a control freak just like I am which means she can't help herself and has to take over? Should have kept my mouth shut, maelstrom of arguments as to whom the worst CF offenders were in B2H3. Was going list in order but decided I wanted to live a little longer.

Dundee nominated **JJ**. JJ refuses to publish (see above)..... **On On JJ**
