## Run 1571

To save the Religious Advisor the added burden of writing this part of the rubbish & give him the opportunity of getting a bonk tonight, your stand in scribe will do his best to enhance **Tickle's Boxing Day Bonanza**. You'll also notice that I'm writing this after all the rubbish below, which means I'm probably repeating everything.

Anyhow an amazingly large group had arrived to attend the run (actually there weren't all that many but they all looked quite a bit larger after over celebrating Christmas). The hare had set a reasonably taxing jaunt, partaking every bit of available bush & parkland, with plenty of checks & on backs to keep us all together.

**Grewsome & Scotch Mist** had brought along their brood, one bike riding the trail the other showing that he possesses his father's running skills by embarrassing your hapless scribe – being able to talk & run whilst speeding past. He let me know that he can faster than his mother now & soon he'll be able to run faster than his father. I didn't want to ask when he could outrun his grandfather but he was probably still in nappies.

I was able to keep him in sight for most of the run but was outsprinted in the rush to the bucket, can't imagine that anyone would run that fast just to have a lemonade. The rest of the pack arrived back in dribs & drabs all appreciative of the opportunity to shed a few grams.

Another good run **Tickle**, as usual.

## Circle Report

**Goon** installed himself as Religious Advisor for the night & I was tempted to give him this job as well but felt sorry for him. He began by calling for **Silence** but she wasn't in attendance this week so he told everyone to shut up & was met by contemptuous stares by the Harriettes, who believe their sole reason for attending hash runs is to hear their own voices. I was once given the opportunity to view a table of 22 women having lunch &, at the particular time of notice all had their mouths open - all talking nobody listening.

We then had a dissertation about the park originally being an area of marshlands known as Pleasure Gardens, until the government secured the property & turned into mush lands. It's also the gazetted extension for the M6 & has been for over 60 years but like all government developments won't happen in our lifetimes. Apparently the land was originally owned by Thomas Bridge – hence the name Tombridge Park. They had a wonderful sense of nomenclature in the past.

## Run Report

Run reporter was the always available & helpful **Grewsome**, who suggested he was born in the park or very close somewhere & remembered the name as Steam Roller Park because it had a steam roller parked close – there you are, kids are much more adventurous with names. Apparently his brother fell off the aforementioned in 1975 & broke his arm & the RR had a paper run & actually used to fish for mullet in the creek, unfortunately most of them were brown.

All of which had absolutely nothing to do with the run, which he'd forgotten but gave it 9.3 out of 10 anyway.

## Prickette and Prick nominations

**Blondie** was nominated by **Grewsome** for showing her impressive Twisting knowledge & all other dances actually. Offering to teach those who wish to learn.

**Canookie** was nominated by **Slotcardl** for appearing on radio as a drug counsellor under an assumed name – Julie Babbineau or something – so people wouldn't recognise her.

**Top Bunk** was nominated by **Holeproof** for something about Long Bay & tickets & burnt chicken on a barbecue – no bloody idea.

## **Pricks – Canookie & Top Bunk**

Jokes: - None there's heaps in the web site

## **80th Anniversary**

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!
