Run Report

Another one bit the dust, and another one....., probably should have come from Duck but perhaps he felt he had flapped his wings enough for one day. Too quacking hard.

Circle Report

History for St Peters obliterated by old age, Duck couldn't remember anything except for the Church up the road, called, surprisingly, St Peter's. No doubt soon to be obliterated by WestConnex. Heritage building, so what? Cemetery, who cares? (Before anyone breaks out in a cold sweat with thoughts of this religious edifice being destroyed and the graders moving to disturb ancient bodies – fortunately Holeproof isn't one of them yet – I am joking!)

Duck was the stand in RA (and stand in TA) and broke protocol by choosing the Run Reporter. TA should not choose because it smells of corruption. Give me a good score and I'll give you – some pond weed perhaps? Dr Hook and Hannibal's obvious collusion giving incredibly high reciprocal

Run scores a few years ago was under investigation but no witnesses came forward, Dr Hook exiled himself to China and his accomplice, Hannibal, legged it to the USA on the pretext of a Christmas visit. Case closed for lack of evidence.

Run Reporter : Canookie:

No wonder the run started at 5pm, it was soooo loooooong. The hare, also the TM, half way through the grueling run, gave assurances of “nearly there, nearly there”, absolute bullshit! The pack was nowhere near “nearly there”. Canookie timed it at 57 minutes and 11 seconds exactly and the reason for the long trail? Fat Duck needed the exercise following excesses over the festive season. Canookie confirmed Ducks are not renowned for their imagination, same run done many times before. Duck likes St Peter’s in particular because of the access to pond weed which helps numb the pain when he has to flip flap over 17kms setting trail. Scored 8.745 so perhaps the weed worked too well and she forgot why Duck gave it to her in the first place.

Prick Nominations

Goon nominated **Sir Les** because Goon asked him if JJ and Saint should have today’s run added to their annual “run count”. The affable, kind and generous Sir Les said “Nah”. (Prick!)

CB also nominated **Sir Les**. Told CB she was now over the hill because she had passed the half century mark in years spent on this planet (wipe the “affable, kind and generous” comment, Sir Les really is a Prick!)

Holeproof nominated **Pseudo**. They went to watch the 9pm fireworks and a big crowd had gathered. “Let this old lady through” he said as he shoved little kids and other grannies aside.

Rex nominated **Duck**, he wore many hats this evening, Hare, Trail Master and “Front Running Bastard”. Inside knowledge an advantage plus the TM is supposed to stay behind to help the back markers but Ego can get in the way of sensibility.

Goon remarked on **Merkin’s** time of arrival – did he get marked down for a run when he arrived at 6.30pm, normal kick off time for hash runs? Sir “Prick” Les, any comment?

Prickette Nominations

Slotcard nominated someone (sorry, missed it) for calling her “Scotty” instead of “Slotty” – count your blessings, Slotcard, being called “Scotty” out loud in public is far better than “Slutty”....

Holeproof picked on **Canookie** – she not only dropped the prickette hat on the ground but then had the audacity to stand on it!

Duck dug a hole for our wonderfully directionally challenged **Bingo**. On trail, decided to head home. Which way does she go? Bingo turns right, then right again and heads toward, yes, the CBD.... Hello! Bingo! Please make a 190 degree turn, now.

DW accuses **Goldmark** of wearing a humungous piece of bling around her neck which she hides during Circle with a high-necked top. Only keeping her reputation intact.

JJ then told **Holeproof** that she ruined the 9pm firework display for some little kiddies. By pushing her way to the front, she obliterated their vision of the spectacular and ignored their plaintive cries of “we can’t see”, pretending to be deaf as well as old.

Pick and Prickette: Sir Les and Bingo

If you have not paid your fees (and I haven't yet, oops....) you will HAVE TO PAY THE \$7 FEE. GOOD NEWS IS, YOU WILL GET A DOWN DOWN IN THE CIRCLE.... \$170.00 NOW (please) to: Botany Bay Hash House Harriers : BSB: 082-360 : A/C: 039382069
