Run Report (yes, there is one!)

I arrived at the start point with time to spare for once! I was presented with the map by Winning Streak with very clear arrows to be told the run went in the opposite direction! It was quickly established that the run did in fact go the same direction as the map. I even had time to organise

a Run Reporter and Merkin appeared to take his task very seriously as he managed to go down every on back there was.

The pack was small but surprisingly enthusiastic given the warm night. There were 3 water stops marked on the map - not sure if any of them were actually used.

The on backs kept the pack together. Sadly the pack were very suspicious when we approached the "mad woman's loop" and the only way to convince the likes of Hannibal and Bingo to follow the trail was for the TM to follow the trail. It wasn't quite what I had planned. On returning to the original trail Dundee, who was walking, declared that he had been on trail the whole time (there's a first time for everything!). I had to mark the trail to get everyone moving again - checking didn't seem to be too high on any of the pack's priorities.

More checks and on backs near Penshurst Park kept everyone guessing and I was happy to report we were more than half way round the trail.

A long on back down Oak Tree Place allowed the pack to regroup. Trail was found going down Arcadia Street and across the park where pre-season soccer training was under way.

Another couple of on backs followed then it was On Home the park to a well deserved drink.

CIRCLE REPORT

Heard of one armed bandits? Second question, have you heard of a one-armed Scribe before? If you cannot answer the first question, see me. Friends neglected to tell me I needed to put down a shower mat because shower floor became an ice rink wet (as they are first and foremost friends of Jack's was there a conspiracy because Jack also admitted to not telling me about the safety measure of aforementioned mat? – probably.) And no/yes, I was/was not pissed. In case you are interested, yes, it fucking hurt! Only a small break, no drama but before I got plastered, if I turned my right wrist, EEEKKKOOOOOOOOUUUCHHHHHHHHHHH!

Run Report

Cannot read a single word I have written but here goes. Merkin was the RR, claims he did not short cut (liar!). Winning Streak can obviously think outside of Top Bunk's square as she did not copy his last run. Couple of great on-backs which kept the pack together and proves original thinking does reap benefits!. Score 8.2.

Visitors

Willie from Washington DC; Judy who was wearing a Singleton t-shirt, Dingbat and Curtseying who make a spectacular arrival in a vintage MG, possibly older than him. He certainly kicked started a few Harriette's engines, they were in love – with the car, not Curtseying. Obviously thought he was important enough to take one of the Directors' car spaces. Conviction will always win over caution (think about it.....)

Birthdays

It is **Rim Liquor's** on Saturday – Happy Birthday to you!

On Sunday, it is someone of importance's (whether her opinion or ours is beside the point, we all love her anyway) but that announcement can wait until Monday evening.

Prick Nominations

Duck nominated **Sir Les** for misappropriating B2H3 property. A week last Saturday Goon won a thong throwing competition (don't ask, amazing what hashers get up to on the weekends). His prize – a good looking brute of an Eskey so he generously donates to B2H3 and passes it to our honorable Bucket Master. Was it there on Monday night, nah, where is it? At home....

Bingo also nominated **Sir Les**, something about up close and stranded in the dark, sorry, best I can do! (Apologies, Bingo.)

JJ nominated **Slops** in absentia. He did not make an appearance and his pathetic excuse was he had a sore ankle – excuse me, I have a broken arm but I managed to get there, man up, mate! PS: hurt ankle does not affect your beer quaffing arm so what is the problem?

Speaking of mates, **Taxing** nominated **David**. He does not like air conditioning, Taxing sensibly does so on hot nights, she heads to the spare room, the cold air rip and her two cats join her because they aren't stupid, cats their comfort and know where to find it. Homo sapiens males on the other hand are stupid and pretend to enjoy a sweltering night with no sleep – and more importantly, no pussies to keep him company.

Prickette Nominations

Big Ears gave three reasons why **Dirty Weekend** was not a priest, first and foremost, she is a woman, secondly, she is an Atheist, and thirdly, when a wildly excited bright eyed and bushy tailed little kiddy upon his shiny new tricycle came peddling up behind her, DW told him to PISS OFF and the sky fell in on him. His innocence was shattered into a million pieces.

JJ nominated **Slotcard** who had discovered that a photograph of her pointing (head back, neck flexed, arm out and raised, was far more flattering than any other pose she could strike and she proved her point by showing me several hundred examples. therefore, all photos of Slotcard will henceforth see her, er, pointing....

Pick and Prickette: TAXING FOR KEEPING HER COOL FOR ONCE AND THE PILFERRING SIR LES
