Run Report (yes, there is one!)

It was Grewsome's turn to be TM but he was not well I so I offered to go instead. Despite my best efforts, the lights at Allison Road conspired against me and at 6.20 I phoned Canookie to advise I would be late! Goon graciously stepped in. As I was waiting at the lights outside the pub I saw the pack set off. Then I saw 2 sets of latecomers including QR and Slops, before I finally got through the lights. Eventually I met Canookie and JJ at 6.40 and, whilst that might not have posed a problem for Grewsome, this TM was realistic. *(scuse me, why would meeting with Canookie and I cause a "problem"? – oh yeah, we talk too much – blokes hardly talk at all except to complain, discuss beer, sex and football 😊 and by "football" I mean Rugby freaking League of course. Blokes will be falling over themselves with excitement as THE SEASON is about to start. All except Newcastle fans because they have no chance and Cronulla fans shouldn't work themselves into a frenzy either. Once a team has won, it tends to fail miserably the following year. Rare exceptions are St George, Souths, Broncos, Cowboys and the Storm but none of the above took 20 years to win their first Premiership. Those teams also have pedigree and talent. Ouch! feel*

*a barrage of protests coming my way so let's just move on with the Run Report shall we, children?
Actually, in all truthfulness and NRL crap aside, according to Scotch Mist, it was all Bingo's fault she missed the start because Bingo's watch is fast and she called On On too early....*

Back to the report: I was presented with the following map - clearly marked and it would have been a joy to use for its intended purpose...

Instead it was used to guide me around the trail, I spotted a few walkers entering Centennial Park and was passed by some short cutters, including our stand in RA, Hannibal, who had missed the final loop. Goon did the run report in the circle and declared it an excellent run and that the pack had been kept together.

With the cricket season almost over, fingers crossed I won't miss the start of any more runs!

CIRCLE REPORT

Run Reporter

Goon: did not have much to say about the Duke of Gloucester except that it's nickname, The Dog, was in honour of Sniffer who busted Toothfairy years ago, attempting to remove a large Marijuana plant hanging over the front door. B2H3 were banned for several years, Toothfairy for some reason stopped running and became a very laid back and lethargic.

Goon did manage to mention Lachlan Swamps, named after Stringbean and Old Molar's son, in recognition of his tireless efforts in ridding La Perouse of the 200-year-old Chinese market gardens plus having all those smelly dead bodies and ugly tombstones removed. The La Perouse cemetery is now designated as the final resting place for old Kombi vans.

Goon was also very impressed by the bat colony, the lovely perfume and intricate artistic patterns their shit made on the footpath. Did interfere with easy recognition of arrows – of which there were plenty. Canookie did a great run and kept the pack together until the end when everyone shortcut and then lied about it. Score : a credible 9.5, well done Canookie!

Birthdays

Dare I say it, yes I do, it was Spinifex's birthday. Dare I mention which one, yes – 21 again and she only looks 18. How many times has Spini been 21? I am not game to hazard a guess, you can but I won't see you again, you'll be dead.

Enough of all this crap, I am tired, I have the pub crawl tomorrow and am hare on Monday after my white knight's amour rusted and his old nag has taken a liking to beer. So on Monday evening you will have a one armed hare so only expect half a trail – REASON FOR VENUE CHANGE – TO GIVE ME A BREAK (last week cruising the high seas, this week the pub crawl, Monday the run!).

Prick Nominations

Duck again accused Sir Les of nicking Goon's thong throwing prize of a magnificent esky which has never been sighted since it was given into the "so called" care of the thieving Bucket Master. Sir Les then accused Duck of running off with 19 women over the weekend – took to the high seas but his lustful intentions were thwarted because he accidently took Dirty Weekend as well. Doc also nominated Duck, unfortunately my notes stop at "Duck doesn't know but...." But what? Bugger!

Prickette Nominations

While stranded out on the high seas (and why Duck took JJ along when all he does is call her "bitch" is a mystery) it really was Spini's birthday. The other highlight during this cruise was the Bingo caller, a very gay South African with a whip smart, filthy and outrageous sense of humour who developed a cult following. Someone told him it was Spini's birthday and when he called her out, all you could see was the back of her blue t-shirt and blonde head as she sprinted down the corridor and out the door, no one has ever, ever, seen her run so fast. Proves that one can improve with age.... 😊

Blondie was nominated for calling Dingbat "Dimwit"

Spini nominated the Bingo caller for asking Blondie why she was called "Blondie"? He was, for once in his life, being diplomatic (coming from an ex-apatite country and all). Blondie gestured to herself and said (diplomatically) "why the fuck do you think I am called Blondie!"

Pick and Prickette: SPINI AND DUCK AND IF I HAVE THIS WRONG, TELL GOON SO HE CAN CORRECT B2H3 RECORDS, NOT ME COS I DON'T CARE
