Run Report

I'll send the run report & include in the Trash when received.

CIRCLE REPORT

RA – **Loan Arranger** – called on National Geographic – **Hannibal Lector** – to once again exhibit his incredible knowledge of everything relative to the run geography &, in this particular case, the restaurant, from where we would indulge. Repeated here verbatim:

“The origin of the DoyTao Thai restaurant comes from the words “Doy” meaning tasty & “Tao” meaning cat” & that was it. Despite the reference most stayed for dinner but I took particular notice that very few ordered any of the chicken dishes.

And yes I did use last week’s report as the basis for this one.

Then the RA ranted away about the wealthy Notheners of Scotland invading the poor Scots, who were also from the north apparently as that’s where they were being invaded or maybe the wealthy ones had moved south for the winter (don’t know how they tell summer from winter) &, while away, the Muslims from Sweden had moved in, thereby they needed to reclaim what was rightfully there’s or something. Dunno how we got into that rubbish but his delightful partner informed me how she was enjoying the beautiful weather this year (it’s been raining for a month), which might have explained some things.

Run Report

The Run Reporter was **QR**, who, in his most articulate & erudite understanding of the English language stated “it was a great run, kept the pack together eight, out of ten”. Pretty much a verbal saga from him.

Visitors

Carpet Burn, Meltdown, Powerhouse & Caitlin.

Birthdays

Squatting Squaw & Doc.

Athletes

Grenade – 200 runs

Slotcard – 700 runs

Cannon Mouth – 1250 runs

New Shoes

Loan Arranger was nominated, probably by his partner for a free drink.

Prick Nominations

Cold Duck was nominated by **Grewsome** for showing a great deal of interest in his lovely wife appearing nude at Brighton Beach, which raises the obvious questions but were unanswered.

Then the useless bastard, to save himself from being the only prick nomination, had the temerity to nominated your faithful stand in scribe for questioning the hare, ensuring clarity & truthful reporting, about his dissertation with the Northern Scots invading Northern Scotland, implying that it would’ve been the only truthful entity in the Trash. And the RA let him rant without admonishment. The Circle is degenerating into a rabble.

Prickette Nominations

Slotcard was nominated by **Dirt Weekend** for pretending to be a Muslim on Facebook by entering the water fully clothed or something.

Holeproof was nominated by **Slotcard** for showing her lesbian tendencies by asking to sleep with her.

Sniffer was nominated by **Pig** for running - dunno.

Blondie was nominated by **Spinifex** for bashing her ear for the full time of the run about a very special best friend but, when asked, couldn't remember her name.

Pick and Prickette: Dundee & Slotcard.
