### Run Report

No run report and before I get accused of not checking my inbox - I HAVE, okay?

### CIRCLE REPORT

First up we had our **History Lesson** given by our budding horticulturalist, **Hannibal**. It was all about Banksias and as boring as bat shit. He gave me a print out but I am not wasting my time by replicating the information here, put you all to sleep. Save it to say that some Banksias are tender and sensitive but following bush fires, they can regenerate, a little singed but otherwise stronger and wiser for the experience. Other Banksias are tough as old boots and don't give a toss about their gentler mates getting fried (reminds me of some other species, have trunks + two legs...).

**Run Reporter** tonight was the shy and retiring **Sir Les**. The run report went thus: mumble, mumble, mumble... Sniffer has finally learnt how to set a run.... mumble, mumble, mumble. Score 9/10 - minus 1 for trying to fast freeze her poor old dad, the coldest night of the year so far!).

### Visitors

Sandra Dee, Peter, Velvet Underlay and BrenGun. DW was too busy yakking to collect visitor's fees until she remembered what she was there for.

## Athletes:

None so no pretenders tonight.

## Prickette Nominations

**Pig** nominated someone who could manage to order a meal prior to the run. He likened it to having sex while thinking of eating a pork sausage (I will leave you to your own thoughts on that one).

**DW** nominated **Bingo** for swooning over Dundee's new stockings. Not only did they improve the shape of his pins but they were sooooo smooth and she loved stroking them (Dundee: "higher, Bingo, higher....")

**Loan Arranger** served up **Dish**. She had a new torch and did not know how to put it on. He demonstrated and said it was the same as a foreskin, just slide the tip up and down. Dish's reply – I didn't know torches had foreskins.....

**Duck** backed up his wife and also nominating **Bingo**. **She** oiled her vibrator ready for recycling –lucky new owner, it will be primed and ready for immediate use. (Did you take it to Vinnies, Bingo?)

## Prick Nominations

**Merkin** nominated **Slops** for tricking him into getting off the train at Kogarah Station instead of Banksia (those flipping trees again). Ulterior motive? Oh yeah! Slops could duck into his beloved Tavern for a quick beer.

**JJ** quickly nominated **Merkin** for being so stupid.

## Pick and Prickette: MERKIN AND BINGO

**NB:** Blondie's fucking camera was obviously back in working order tonight thanks to Doc. She flashed here, there and everywhere.
