Run Report

No run report has been received. There may have been one sent because Dundee loves to spruik his own runs but I hate the sound of trumpet blowing.

CIRCLE REPORT

Immediately there was a dummy spit from **Pig**. He accused **Squatting Squaw** of being responsible for Scotland walloping the Wallabies in whatever cup it is they are currently playing for. He reckoned she and Scotch Mist crouched over their bubbling cauldron chanting "double, double toil and trouble" and tossed in fillet of snake, eye of skink, some haggis, toes of QLD cane toads and a couple of NSW cockroaches for good measure. Was this curse the reason the Wallabies lost? Nah, they just can't play.

No matter, SS was dragged front and centre of the baying crowd and (shock, horror!) given a beer to drink. Drink it – guilty, sorcery confirmed, she'd have to have sex with LA that night. What did poor SS do, threw it all over LA of course. Peaceful night guaranteed and NO straying hands!

PS: cauldron still bubbling away Odds on Scotland to win the series ☺ Och Aye!!

Run Reporter was, I think, **Sir Les**. Dundee promised a dead flat, easy 6k run. He lied of course, the pack had to run up the steepest, longest, public staircase known to mankind. After that it was around Rushcutters Bay and on to Baz Luhrmann's place for a sausage sizzle but Pig had short cut, eaten the lot and headed off for a quick shag (just the ticket after a kilo of snags). The rest of the pack followed trail back to the bucket (minus the snags and shag). Sir Les (I think) scored it 4.9 but then gave an extra 1.0 because the run was out of the Shire (good on yer, Sir Les!).

Prickette Nominations

Loan Arranger nominated **Canookie** who had gone for a short walk with his wife last week and was so invigorated by the exercise she decided to throw a sickie the next day and didn't get out of bed.

Dundee nominated the **Scribe** for turning up at the wrong hotel the week before. The Scribe had a long discussion with Dundee about his upcoming run and setting the trail so the pack could see some of the Vivid Festival. As the last night of Vivid was Monday 6 June, it was an obvious conclusion to make that Dundee's run was on Monday night, 12 June! For once, he and she who know everything, both got it wrong!

Prick Nominations

DW nominated **Merkin** because he had often recommended joining him at the Concourse Bar at Wynyard Station on a Friday night for a drink. Yes, he was always there, yes, it was great crowd and a great bar. So DW goes down there on a Friday night – where's Merkin? All DW saw were great tits.

Taxing also nominated the **Banker**. She bumped into him at Wynyard Station one evening. He recommended joining him at the Concourse Bar on a Friday night for a drink. Yes, he was always there, yes it was a great crowd and a great bar. So, one night she did. Where's Merkin? All Taxing saw were great tits...
