Run Report

No run report, you know the excuses, the cat, the dog, the kids, this week, Grewsome suffered a rare parasomnia event and ate every word.

CIRCLE REPORT

Duck was the stand-in RA tonight and handed over to Hannibal, BA MA PhD, Sexologist, Viticulture/Oenologist and Pomologist, for our history lesson before all the crap: Pre-B2H3 Erskineville was the largest industrialised area in Sydney. No lawyers, only workers, lived here – it was a dump, it had the largest, tallest rubbish tip in town. The area was eventually reclaimed and the MacDonald Town Oval was born. The Scots did not say “Och Ay” they said “Ooh Nooo”, they didn't wanna be associated with a stinking dump so after much mudslinging and caber tossing, the name changed to Erskineville Oval.

Speaking of Pomology (yes, I did, see above!) Erskineville is the only suburb where Poms outnumber the Aussies, 23% to 17% (statistics do not include local fauna such as Wombats, Kangaroos, Kookaburras, Cockatoos or Lorikeets or Aborigines for that matter but did include migrant British Bulldogs).

Squatting Squaw was our RR tonight: Brilliant run!! Up and down lots of lanes, past the SAS Headquarters, Channel 7 etc. Pack held together well until over half way when it started to splinter – ie: lazy short cutting bastards looking at their watches – “fuck this, time to turn back and head for the bucket, I’m thirsty!”. Score : 8.5/10.

Visitors

Elizabeth came back because after last Monday she has suddenly developed a taste for beer. Also, Sandra Dee and Peter were back – keep coming on back!!

Athletes:

VENUS : 150 runs, well done!

QR : 1200 runs, fantastic and all thanks go to Spini’s spandex, they keep him going.

Prickette Nominations

Hannibal nominated **Spinifex** – congratulated on her splendid and luxuriant bush, it was the biggest he had ever seen! Suggested a facelift to increase the volume of her hair.

Tickle had to nominate **Blondie** for her Big Ears impersonation last week – Please note that Blondie and Big Ears have their unique pavement kissing methodology (patent pending);

Duck nominated **Bingo**. Hit a check mid-trail, all looking for arrows. **Bingo**, runs up and down, then stops and asks “so apart from me, who is checking?” Not happy, frowning, arms folded, “ah, an arrow!” said Duck. “where?!” said Bingo. “under your foot”....

Prick Nominations:

Duck nominated **Hannibal** for being crude and rude for noticing Spini’s bush – excuse? Cannot help being a bent and perverted lawyer, it is his job.

DW nominated **Sir Les**. Saturday morning, relaxing in the leafy Shire, birds and bees for company, far from the CBD maddening crowd. Paradise, luxury, peace and quiet, all is well with the world. BLISS, then “ping”, Garden of Eden evaporated, back to reality : “must be important to text me today, my day off!” It was, really important, Sir Les: “Read the myth of the ’69 Grand Final in today’s Tele?” DW’s polite reply: “Fuck off, cultured South Sydney supporters only read the SMH; PS : Move on from your one moment of glory in the last century. It’s sooo long ago even the tiger paw prints you painted on the footpath, Driver Avenue, SCG, have worn off. Go the Rabbits!” Having put Sir Les in a corner, DW went in for the kill : “”PPS: 21 Premierships but not gloating”. Of course not, women do not gloat, only men do!

Prick and Prickette: SIR LES AND SPINI
