Run Report:

What I like about our TMs is their consistency. There is no run report. And what happened to it this week? Their neighbour ate it.

CIRCLE REPORT

Historian: Hannibal (BA MA PhD, Sexologist, Viticulture Oenologist, Pomologist, Hippotherapist and Gumologist) told us that red foxes have become a regular sight on Coogee's golden sands and are often seen by bathers, hashers, walkers and drunks (who always see two).

The foxes have also become brave enough to venture inside McIvers Ladies Only Bathing Pool. Obviously must be Vixens and they like underwear, in particular, knickers. One lady, Mrs Mart, has had two encounters and the second, only a few days ago when it managed to nab her cotton undies. She wondered if it wanted them for its den or something and then went on to say "usually, the only furry creatures I see in the baths are pussies or beavers, although I do encounter the odd bearded clam from

time to time". Ladies have now been advised to keep their belongings in a box provided to avoid exposing anything that could be eaten.

B2H3 Convict Trash

Run Reporter: Dundee. This was Goldmark's second run and she claimed she did it all on her own (she lied but not for me to spill the beans...). He then went on to give her a lesson in how to set an on-back, however, apart from that little error, Goldie's trail managed to keep the pack together which is an amazing feat for any hare – Dundee scored it 9/10.

Visitors: Ice Box (not Ice Cube as per last week, sorry!) and **Hot Dick**.

Nominations had to be kept short and sweet due to time restrictions (in the club and food ordered by 8pm)

JJ nominated **Saint** who arrived early at the Diggers because she wanted to catch up with Bingo and Rim Liquor. As we walked in Saint said "oh look Slops is here!". I looked around and spied a colourful red and black striped footy jumper but it didn't look like Slops to me, legs were too good. It was Rim Liquor....

Stop Cock nominated **Sir Les**. They were sitting with Duck who happened to notice some rather attractive eye candy strut their stuff past the table. "Look at those lovely ladies" so Sir Les turned around and saw sitting at the next table Blondie, Goldmark, Hot Poker, Spinifex, Rabbit and Dish. Sir Les turned back and said "what do you mean? They are all ugly bitches....." You are dead meat, Sir Les!

Grewsome also nominated **Sir Les** because every time he bent down to retrieve a beer out of the bucket he let out an almighty "aaaaaaargh". Sir Les looked blank, as usual, unaware that anyone could hear him – EVERYONE could hear, including the people at the other end of the park!

To make it a hat trick, **JJ** also nominated **Sir Les**. He came to the races on Saturday afternoon looking very dapper in his suit and tie. Sat down at a table and proceeded to read the Daily Telegraph (the form guide you may ask? – no, the paper from cover to cover EXCEPT the form guide.) Did he bet, no, did he watch a race, no, did he mingle with the crowd, no. So, what was the fucking point? He likes to dress up.....
