Run Report:

TA was suffering from a short term memory lapse, he forgot to write one.

CIRCLE REPORT

Historian: Hannibal, BA MA PhD, Sexologist, Viticulture Oenologist, Pomologist, Hippotherapist, Gumologist, Victoria Secrets Model and Secret Agent B2H3 verbalised a detailed lesson which captivated the Circle however the Scribe doesn't bother scribbling down this rubbish any more, she is always handed a dog eared copy by the esteemed historian but, unfortunately, not this night, another case of short term memory lapse.

Run Reporter: **Dundee.** It would make a great summer run! Lots of checks, scenery, etc – but, and this is a big BUT! Before the start of the run he was promised a Happy Ending by the hare when trail ceased at the bucket. No Happy Ending provided so RR unhappy, 1 point deducted : Score 8/10

Visitors: **Ice Box** and **Hot Dick.**

Birthday: **Hannibal** – hope you had a Happy Ending on your special day!

Prick Nominations:

Pig nominated **Dundee**; he heard Dundee during the run squawking “are you??” “are you”??? Caught up and Dundee said “I was following arrows and then suddenly no trail and I can’t find any arrows ahead”. Why? Because Dundee had run straight over an On Back.

Pig also nominated **Sir Less** for leaving poor Merkin stranded in the dark so it was all his fault that a root grabbed Merkin by the foot and hurled him onto the pavement. Either that or Sir Les turned off his torch and deliberately pushed Merkin into the path of this root. Result : Merkin thought he had broken a rib or two. You rotten sod, Sir Les! Not only has it severely diminished Merkin’s interest in roots but will hamper his drinking capacity!

Prickette Nominations:

LA nominated **Tickle** for shoulder charging (yes, “shoulder charging”!!) **Squatting Squaw.** As SS caught up with Tickle on trail and started to overtake her, she was suddenly bounced sideways. The reasoning behind this action:

- a) Tickle was trying to prevent SS from running into a tree; (Tickle’s first excuse)
- b) Tickle was so pleased to see SS, her over enthusiastic greeting was mistaken for a shoulder charge; (Tickle’s second excuse)
- c) SS was about to overtake so Tickle resorted to dirty tactics. (Squatting Squaw’s sound reasoning)
