CIRCLE REPORT

Historian: Hannibal, BA MA PhD, Sexologist, Viticulture Oenologist, Pomologist, Hippotherapist, Gumologist, Victoria Secrets Model, Secret Agent B2H3, lobbyist for same sex marriage and next Prime Minister proved himself no different to the current PM and told us nothing we didn't already know but sugar candied his words so we thought everything he said was something original. We already know Bruce Lee's statue is around somewhere but we did not know that former actor, Law Kar Ying also lived in Kogarah. Mr Law Kar Ying's wife is Mrs Ying Wang and Mr Ying loves to, hang on, this is getting pornographic, can't have that, this is a family newsletter! Avoiding rude words, suffice to say Mr John So from Sodom and Mr Lee Shaukel from Gomorrah became intimately involved with Ying and Wang

and a new suburb was born. Mr So and Mr Shaukel wanted it to be called "Sodorrah" but the local Abos said "sod off, you yellow goannas, it's gunna be called "Kogarah – afta our fukin muvver, al right?". As they held spears in their hands, they did not object.

Run Reporter: **Hannibal.** Took 2.5 hours to set and 15 minutes (sorry 40 minutes) to run. That's because Slotcard likes to take her time, coffee here, lunch there, pit stop at a pub. Did she actually put any chalk marks down? No, of course not, silly! BUT!!! Slotcard did at least accompany the person who did and instruct accordingly. Her excuse this time (last time there were no chalk marks because she thought it was going to rain, it didn't!)? Slotty has a sore back, fair enough. Thank you QR – and thank you Slotcard – score: a decent 8.7. Well done.

Visitors: There was a sudden shriek from the Circle, DW – OMG visitors, I need to get their money! And of course she did – **Sandra Dee, Peter, Powerhouse and Salt Peter.**

Birthday: **Peter, Blondie, Sniffer and DW.**

Prick Nominations:

Duck nominated **Merkin** for refusing to help him carry the bucket out of the Bucket Master's Ute – his lame excuse, a couple of cracked ribs.... Bloody hell! If a leg or arm had been lost, his excuse could have been forgiven.

Holeproof, bless her cotton socks, nominated **Duck** for even asking **Merkin**, to help him move the bucket. Would you ask Winx to win a race with an injured fetlock? Actually, take that back, should not mention Winx and Merkin in the same sentence, there is no parallel.

Holeproof (go girl) then nominated both **Duck and Merkin** – they could not work out how to open the back of Sir Les' vehicle to get the bucket out anyway... how many men does it take to turn a key....

Grewsome dobbed in **LA** for something about lesbians, sure it was not complimentary – Sniffer's name came up, not sure why..

JJ nominated **QR** for being **Slotcard's** willing handbag....

Prickette Nominations:

DW nominated **Squatting Squaw** for yelling out during the run – "watch out, 60 year old ahead, give the old lady some room"....

Loan Arranger, devoted husband soon to be ex, also nominated **SS**, something about him taking 5 seconds to appreciate culture but it took his wife 1.5 hours. Then she wanted him to join the in Gay Pride parade, perhaps she wanted to kill him but thought a mob might do the job for her...

JJ nominated **Slotcard** for using her handbag to set the run. Handbag did a great job – can I borrow? **Squatting Squaw** (soon to be ex-wife) nominated **LA** because he wanted to approach a lesbian in the parade to ask if he could go where no man has been before. Surprised he is still alive actually 😊
