Run Report:

Did not stand a chance, did not even see the light of day or a glimmer in Scotch Mist's memory.

CIRCLE REPORT

Historian: Hannibal, BA MA PhD, Sexologist, Viticulture Oenologist, Pomologist,

Hippotherapist, Gumologist, Victoria Secrets Model, Secret Agent B2H3, lobbyist for same sex marriage, next Prime Minister and soon to be political puppet told us all about Fatima Island. This island was known to local perverts in times past as Fatima's bum. Once the white settlers took over it became known as Fatima's bosom. Unfortunately for Fatima and the local perverts, her curves are being eroded because people keep washing and petting them! This is a very serious matter because Fatima's curves not only provide eye candy for said perverts but also a safe habitat for migrating birds. Marrickville Council is hoping to change this dreadful state of affairs by giving Fatima breast implants to restore them to their former glorious state of plumpness and return to the bird sanctuary she once was. Even if you do not live in Marrickville please go on to their website and show your support to get Fatima's tits back and save the planet (oh, sorry, over dramatizing, save some flea-bitten birds from drowning....). Thank you.

(Run Reporter: Dunno, wasn't there for it but the RR did score 9/10 so it must have been pretty good.

Visitors: some good-looking bloke, I did at least try to get his name and number but for some reason he wasn't interested....

ATHLETE: **Goon!!** Our world class athlete has (and I am guessing here so don't get the shits if I am wrong!) slogged over numerous arrows, on backs, checks and short cutted **650 times!!!!**

Prickette Nominations:

Pig nominated **Moa Goa** for casting aspirations, slandering and rumour mongering amongst the harriettes but she would not tell him who she was talking about. Women's business only, keep your snout out of it and stick it in your slops trough (sorry Slops) where it belongs.

DNF nominated **Rabbit** for not including the strippers club up the road while trail blazing. What? Aren't Fatima's enough for you?

Slotcard wanted to thank **Holeproof** for pointing out all the places in the area where she had bonked at one time or another during the last century or two. Slotcard made notes for future reference.

Prick Nominations:

Pseudo nominated **Cannon** for booking a flight which would take himself (and the poor long suffering Bower Bird) three hours more than any other flight going to the same destination. Cannon obviously wanted to enjoy his day for as long as possible.

Dundee also nominated **Cannon** for at least getting a flight to somewhere (or something....). Is he coming back? Could we be so lucky? **Naaa**

JJ nominated **DNF** for expecting the run to go through a strip club which had obviously shut down and for shunning Fatima. (At least the club looked shut when I walked past it the first time, not so sure when I walked past it for the fifth time hoping to be offered a job..)
