Run

A venue we had had not run from for a number of years. One notable absence of course, because it had to be reached by crossing a bridge.

The pack was gathered in the Rose Bay Hotel where the ON-ON would be held. Time to go: DUNDEE as usual was off like a startled RABBIT up heartbreak hill, I called him back and Surprise! Surprise! He returned under protest to do the first on back and then return to the hill.

Running to the steps into Fernleigh avenue into Chamberlain avenue, Churchill road down Rawson and back onto New South Head road. On past Vacluse road to an on back that returned the pack to St Michaels place down onto Vacluse road to a long on back.

I waited here for the pack to return from the on back (Big Mistake) and pointed SNICKERS and TICKLE down Carrara road on trail.

Still Waiting! Waiting! Finally deciding the pack was not returning and headed on the trail back towards the bucket on trail.

The trail home along the waterfront boardwalk and the beach was a very pleasant way of returning to the bucket. Reaching it in fading light.

A great run JJ and I'm glad I didn't make any shortcuts.

ON ON QR.

The maps are carrying a fair amount of QR's sweat.

Dame Nellie will be pleasantly surprised that the following maps add at least another 5 cents to his internet bill – ed.

Circle Report

The light was fading rapidly against the majestic backdrop of Sydney Harbour & a light breeze was comforting the sweating group as **Hannibal** our illustrious & highly acclaimed Religious Advisor called the rabble to order – thought I'd raise the bar a bit by introducing a little prose - ed.

Once again **Hannibal** regaled the illiterate mass with his intricate knowledge of all things Aboriginal by suggesting Rose Bay was Abo for “good place to build a pub overlooking water”, which seemed to be pretty close to the definition suggested last week for Clovelly – very interesting language the abo!

He also made comment as to the Convent on the hill as being the investiture of women training for the Mistress of Discipline 5 year course – **Hannibal** has a very close association with the prefects of that particular course & is a life member of their club.

What may not have been apparent to many is that he has a very close relationship with our current PM & divulged that Mal's local was the Rose Bay pub, which Lucy drags him from every night after closing. But the real closer was that Mal was to Rose Bay Hotel as Slops is to Kogarah Tavern. Now I realise that Mal would be over the moon about being included in the same sentence as **Slops** so I'm sending him a copy of this report to include in his memoirs.

Run Report

Due to the fact that he only runs with us occasionally these days, which he's hoping to change in the future, **Slap** was again selected to make comment on the run as he completes it in half the time allotted to rest of us (I also understand his more than tolerant better half, **Wild Turkey**, puts him in the shade & when is she going to make a reappearance?).

Anyway, **Anyway** made it this week & that had nothing to do with this report but I have trouble now not mentioning her if I type anyway **Anyway** oh shit, better find another conjunction – is it a conjunction **Rex**? So (ah) he suggested it was the best run ever, very picturesque, sweet smelling air (smelt fishy to me, I think he spends too much time in the Asian massage parlours) & then mentioned something about high maintenance or something – no bloody idea but he gave her 11/10, which is probably why his shipping company has suddenly returned to profit after many years – it's called creative accounting.

Visitors: - None so **Dundee** was rewarded for his tireless work ethic in completing one trash, so far that was only received by half the Hash group much to delight of those who didn't have to read this dribble.

Athletes- None

Prickette and Prick nominations

Holeproof nominated **Venus** for suggesting she had too much sex & it was affecting her eyesight or something – what’s too much sex???

Bingo nominated **Canookie** for money wastage as, enjoying a few well needed beverages after the 7 Bridges Walk undertaken by a few of the brain dead on Sunday, **Bingo** had purchased a very expensive bottle of wine at the pub – actually it was the cheapest wine on offer but cost half a weekly wage – to which she offered a taste to the aforementioned, who was listening to **Goon** telling a funny story, thereby making her laugh & spurting at least \$5 of wine over the table.

Goon nominated **Dundee** for shortcutting the 7 Bridges Walk just because he walks faster than everyone else & his speed creates a blur to those attempting to follow.

Holeproof nominated **Pseudo** again – poor bastard, imagine what it’d be like if they were actually married – for something about fanny wax I think.

Cold Duck was nominated by someone or perving on a pretty bum or something – what’s the world coming to when you’re nominated for perving? I thought that was just a manly trait to be admired.

Prickette – Canookie

Prick – Cold Duck

Dundee’s thought for the week

There’s nothing as permanent as a temporary government programme.

Ok I plagiarised it from Milton Freedman but it’s also my thought.

A plane passed through a severe storm. The turbulence was awful, and things went from bad to worse when one wing was struck by lightning. One woman lost it completely.

She stood up in the front of the plane and screamed, 'I'm too young to die,' she cried.

Then she yelled, 'If I'm going to die, I want my last minutes on earth to be

memorable! Is there anyone on this plane who can make me feel like a WOMAN?'

For a moment, there was silence. Everyone stared at the desperate woman in the front of the plane. Then the man from Australia stood up in the rear of the plane.

He was handsome, tall, well built, with dark brown hair and hazel eyes. Slowly, he started to walk up the aisle, unbuttoning his shirt as he went, one button at a time.

No one moved. He removed his shirt. Muscles rippled across his chest. She gasped...

Then, he spoke... 'Iron this -- and then get me a beer.'

A gorgeous young redhead goes into the doctor's office and said that her body hurt wherever she touched it. "Impossible!" says the doctor. "Show me."

The redhead took her finger, pushed on her left breast and screamed, then she pushed her elbow and screamed in even more. She pushed her knee and screamed; likewise she pushed her ankle and screamed. Everywhere she touched made her scream.

The doctor said, "You're not really a redhead, are you?" Well, no" she said, "I'm actually a blonde."

"I thought so," the doctor said. "Your finger is broken."

"I thought so," the doctor said. "Your finger is broken."

DO U HAVE A VAGINA???

Now there is a question you do not get too often...

A woman is at home when she hears someone knock at the door.

She goes to the door and opens the door to see a man standing there.

He asks the lady 'Do you have a vagina?'

She slams the door in disgust...

The next morning she hears a knock at the door, it is the same man, and he asks the same question of the woman 'Do you have a vagina'. She slams the door again.

Later that night when her husband gets home she tells him what has happened for the last two days. The husband tells the wife in a loving and concerned voice 'Honey I am taking tomorrow off to be home just in case this guy shows up again'.

The next morning they hear a knock at the door and both run for the door. The husband says to the wife in a whispered voice 'Honey, I'm going to hide behind the door and listen and if it is the same guy I want you to answer yes to the question because I want to see where he is going with it'.

She nods yes to her husband and opens the door. Sure enough the same fellow is standing there and asks the same question. Do you have vagina'..... 'Yes' she says..... The man replies Good Would you mind telling your husband to leave my wife's alone and start using yours'?
