Circle Report

Hannibal acknowledged the varying precipitation of the evening by pronouncing that Yowie Bay was aboriginal for place of much rain, which, I think he also suggested, was the same as Sutherland – bloody funny language these abos have.

Run Report

Pig, by virtue of having assumed the Trail Master role for the evening when **QR's** glasses became waterlogged, was appointed to issue the last rites for Run 1533. He began with some soliloquy, which he remembered from school days in the outback, about it being a fine night then turned ugly & then rain, just light precipitation, flooding roads & turning mild little creeks into raging torrents. One such torrent required the **Loan Arranger** & his minute appendage, of which we were unfortunate to experience the sight later in the evening provided one had a microscope, to create a makeshift bridge of sorts. He also discovered **Dame Nellie** jumping upstream like a spawning salmon – great imagination has **Pig**, any likeness between the aforementioned & a lithe salmon would have to centre around their intellectual capacities. However he was still aware that dinner was to come & suggested that it was a well set run with plenty of checks & on backs & gave the Hare 9.32 out of 10.

Visitors: - **Carpet Burn & friend, Wendy** from the Orient, **Bedpan & husband Peter & elder statesman Stringbean** who's related.

Athletes: - None

Birthdays: - **Goldmark, Dish & Stopcock** have relatives just a tad over 30.

New Shoes: - None

Prickette and Prick nominations

Dundee was nominated by **Loan Arranger** for misinterpreting the impending holocaust as just high cloud cover because that's what the weather bureau were predicting in his iphone.

Stringbean was nominated by **Taxing** for not recognising walking her from Miranda to Yowie Bay & giving her a lift.

Bower Bird was nominated by **Taxing** for asking her to give her more bubbles because the circle would be boring (and we were feeling sorry for her in marrying **canon**).

Dame Nellie was nominated by **Carpet Burn** for something about getting her wet (that'd be first him making a female wet.)

Bingo was nominated by **QR** because she couldn't remember if she'd left her bag with him or something.

Tickle was nominated by **Squatting Squaw** for trying to avoid puddles on the road after she'd just forded a flooding river up to her knees.

Rabbit was nominated by **Pig** for crook driving practices.

Bower Bird was nominated by her less better half for complaining that she'd lost her opal card, so he'd have to arrange a new one for her, which he complied as are all males' duties when their partners lose things or can't fix things or just anything really, to remove continual nagging from the equation. Needless to say, she hadn't really lost the card it was still in her handbag hidden behind the kitchen sink & all the other bits of rubbish women carry daily in their handbags.

Pricks – Dunno cause I didn't write anything in my book but it was probably Tickle & Dame Nellie.

Once again Thirsty are rallying the hashers of Sydney to raise money for a worthy charity.
Saturday 6th February

Old Fitzroy Hotel, 129 Dowling St, Woolloomooloo Registration from 1pm Circle up 2pm
All hashers welcome! If you have a newsletter please add the Red Dress Run Hit the streets to raise money for the Wayside Chapel. Wayside has been assisting people on the Streets of Kings Cross for over 50 years. Under the banner of love over hate, The Wayside Chapel creates a community where there is no 'us and them' by breaking down the barriers of judgement and providing a safe place where people from all walks of life are welcome just to 'be'. So release your inner *Lady In Red* and help us collect funds for the great work that Wayside does.

1. Find yourself a red dress, skirt and top, sarong and T-shirt, anything red is great!
2. Come to the Old Fitzroy Hotel and register between 1pm and 2pm. The cost is \$15, that's \$8 bucket fee and a \$7 donation to Wayside.
3. Circle up outside the Old Fitz at 2pm. You'll be given instructions and advice, collection

- buckets will be distributed (if you don't want to carry a bucket, that's OK, just hang around and let others collect). We will be set off by a representative from Wayside.
4. Make a spectacle in the Streets of Sydney, running with a bunch of happy people all in Red dresses.
 5. Finish up at Daffodil Park, (on the Southern side of the railway line on Dowling street from the Old Fitz) for the Bucket and circle.
 6. On Inn will be at the Old Fitz.
