Circle Report

Hannibal began by giving us all a lesson from his GPS training whilst in the boy scouts, stating Ramsgate was 13 kms. from Sydney CBD, which brought sudden shock to everyone present as some thought it was 15 kms. & others 11 kms. But we all agreed that it was 13 kms from Engadine. Apparently Ramsgate was originally called Frog Hollow & then White Gum Flat, which were far more interesting names, unfortunately the bloody poms wanted something to remind them of home I suppose. He then informed the group that the railway station was opened in 1834 & there was a large erection soon after, which pricked **Holeproof's** attention but he was talking about the new Town Hall (sorry about linking prick & erection in the same sentence).

Then he rambled on about the Queen's coronation, pub art decho & trams, which, unfortunately, reminded **Joystick** that his father used to drive the steam trams out to Sans Souci so we heard all about his childhood & relatives & where he had his first root etc. Then **Mudflap** brightened the proceedings by informing everyone that the land upon which we were then standing was, in fact, a former factory owned by her father, who manufactured patent (or painted... I don't know) leather shoes.

Run Report

Squatting Squaw, was appointed to administer the last rites to Run 1534 & began by continuing the discussion on erections, somethings are always on certain peoples' minds &, judging by the size of her partner's appendage as recently displayed at last week's run, it's very wishful thinking - & it was a warm night! However she stated it was short - not sure if she was talking about the run or something else - & gave it 8 out of 10.

Visitors: - DNF

Birthdays: - **Mudflap** 30 something.

Prickette and Prick nominations

Dundee was nominated by **Loan Arranger** for misinterpreting the impending holocaust as just high cloud cover because that's what the weather bureau was predicting on his iphone.

Stringbean was nominated by **Taxing** for not recognising her walking from Miranda to Yowie Bay & giving her a lift.

Bower Bird was nominated by **Taxing** for asking her to give her more bubbles because the circle would be boring (and we were feeling sorry for her in marrying **canon**).

Moa was nominated by **Joystick** for pinching her hash name from a brewery in NZ that serves lousy beer.

Grenade was nominated by **Anyway** for not wearing any knickers on the run or at circle. Search is still on for the knickers nicker.

Sunbean was nominated by **Merkin** for ringing him while watching a porno on his TV & breathing heavily into the phone, think he must've mistaken his number for the sex line he frequents.

Stopcock was nominated by **Holeproof** for suggesting **Moa** was older than her & everyone knows she was here when Captain Cook arrived, no contest.

Pricks – Grenade & Sunbean

Jokes: **Rabbit** told one about masturbation or something & everyone laughed so it must've been funny but I couldn't hear it.

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Snickers' Serious Scientific Summations

“Shit for brains” became the subject of discussion between Snickers, Stopcock & your scribe at the Luncheon organised by Goldmark on Saturday as, during Snickers' outstanding study of the genuine origin of the species as a result of his recent trip to Antarctica, it was suggested the expansion of the homo sapiens race was a direct result of their abilities in thought processes.

Stopcock then made an amazing statement suggesting all his best thoughts occurred when taking a crap on the dunny (his words, your scribe doesn't use such language). Most blokes usually take the newspaper or a book to pass the time, Snickers even stated he'd only be able to read half of what he consumes if he didn't use the dunny time. Don't know what sheilas do, probably devise devious schemes in which to involve their partner or work out how many cushions & pillows they can fit on a lounge or bed or something.

He also made known that he won't employ anyone who suffers from constipation as, he believes the pressure being applied to the bowels interferes with their ability to concentrate on the more important matters that affect his business – hence the metaphor “shit for brains”. In order to correctly assess an employee's capacity to think on the job – that's where the term was coined we believe – he has them clinically checked for any noticeable condition of piles.

That, dear reader, is the major reason of his success in business & one that should be henceforth employed by all those undertaking any successful enterprise that involves employing people. It will also improve the work schedules of most GP's.

Once again Thirsty are rallying the hashers of Sydney to raise money for a worthy charity.
Saturday 6th February

Old Fitzroy Hotel, 129 Dowling St, Woolloomooloo Registration from 1pm Circle up 2pm

All hashers welcome! If you have a newsletter please add the Red Dress Run Hit the streets to raise money for the Wayside Chapel. Wayside has been assisting people on the Streets of Kings Cross for over 50 years. Under the banner of love over hate, The Wayside Chapel creates a community where there is no 'us and them' by breaking down the barriers of judgement and providing a safe place where people from all walks of life are welcome just to 'be'. So release your inner *Lady In Red* and help us collect funds for the great work that Wayside does.

1. Find yourself a red dress, skirt and top, sarong and T-shirt, anything red is great!
2. Come to the Old Fitzroy Hotel and register between 1pm and 2pm. The cost is \$15, that's \$8 bucket fee and a \$7 donation to Wayside.
3. Circle up outside the Old Fitz at 2pm. You'll be given instructions and advice, collection buckets will be distributed (if you don't want to carry a bucket, that's OK, just hang around and let others collect). We will be set off by a representative from Wayside.
4. Make a spectacle in the Streets of Sydney, running with a bunch of happy people all in Red
5. Finish up at Daffodil Park, (on the Southern side of the railway line on Dowling street from the Old Fitz) for the Bucket and circle.
6. On Inn will be at the Old Fitz.
