CHANGE OF START FOR JJ'S RUN ON MONDAY 15 FEBRUARY: IT WILL NOW BE FROM THE CAR PARK NEXT TO THE WESTPAC HELICOPTER BASE. IT IS FAR MORE SUITABLE AND MY REASON FOR NOT INITIALLY NOMINATING WAS FOR A GOOD REASON, NOW OVERCOME. Apologies, JJ

DANNY'S

Turn off to **Botany Bay National Park** and at the **NSW Golf Course entrance**, turn left and keep driving until the end of the road (car park) further.

START IS NOW FROM THE CAR PARK NEXT TO THE WESTPAC HELICOPTER BASE, THERE IS A BIG SIGN AT THE LEFT TURN FROM NSW GOLF CLUB

If driving from the South, take the Foreshore Drive exit after the airport tunnel (first right). Continue to Bunnerong Road and turn right.

Just after the Yarra Bay Road turn off to the right, road becomes Anzac Parade (divided road junction on the left). After passing that, take the second turn off to the left. You will see a sign "Botany Bay National Park".

Too much detail!!

ON ON is at Danny's Seafood Cafe, Fush and chups at the beach! No corkage for wine, beer has to be bought there though. Slops will not like the offerings, too pooffy for him (no, not light, just no VB or whatever the poison is he drinks).

Hope to see you there because you cannot get lost!! ☺ JJ

Circle Report

Hannibal had taken a well-earned rest from presenting the weekly celebration & it was left to the ever reliable **Duck** to commemorate the return to Cronulla, which was warmly welcomed by all & particularly by **Jungle Jane**. He began by stating he had stood down from this year's pub crawl reconnoitre in order to allow others to experience the euphoria & spent the weekend in Bundeena instead – sans wife who was seconded to handle the event. Apparently it's going to be in North Sydney somewhere near the **Spinifex** abode & a flyer will be available next week.... I hope cause it occurs the week after.

He then rambled on about Cronulla being abo for where old people come to die & was well known for pink shells & old peoples' homes that eventually rust & fall into the sea, when global warming causes the seas to rise a kilometre in the southern hemisphere (all the water will be drained from the Northern Hemisphere for this to happen, which will allow all the Muslims to walk across from Europe to the USA).

Run Report

Wendy from Holland via China & Bundeena was appointed to administer the last rites to Run 1535 & as she speaks little English but seven other languages (bloody funny she can't speak English when it's taught in Dutch schools) so the always helpful **Dr Hook** who also speaks 25 languages was asked to act as translator. Unfortunately, he's spent so much time in China that his English is also shit so we had no idea what either of them thought of the run. But it was something about being in a nice part of the world – obviously better than Holland or China – people running in the wrong direction, lots of pussy that was better looking than our Harriette's & the visit to Wanda reminded him of a previous AGPU, which enabled her to award the run 9.98 out of ten.

Visitors: - **Wendy & Marco, Carpet Burn & Dr Hook.**

Athletes: - **Bower Bird – 1200 walks**

Birthdays: - **Spinifex** but we're not allowed to mention it cause she hasn't had one (birthday) since she turned 39, 31 years ago but it was also her B2H3 anniversary when she joined in 1988.

New Shoes: - **None**

Prickette and Prick nominations

Spinifex was nominated by **DR Hook** for making him breakfast, which would be a world first for anyone but I'm not sure of why that was a nomination, maybe it was edible or something.

Spinifex was nominated by **Cold Duck** for something about her bonding with children in Bundeena – must've been late in the day.

Spinifex was nominated by **Pseudo** for writing beaut things on Facebook about proposals or something.

Sir Les was nominated by **Cold Duck** for telling he only showered once per week, after hash runs.

Sir Les was nominated by **Grewsome** for complaining about how the effort of kayaking around the bay in Bundeena was exhausting him, which was thought to be not a major effort until he exited the water & it was found that he'd left the wheels still attached to the kayak.

Pricks – Spinifex & Sir Les

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.
