Circle Report

Hannibal returned from his week's rest to officiate once more, began by referring to Jean François de Galaup, comte de Lapérouse as Pierre, which was his official Hash name when **Holeproof** named him after he landed in Botany Bay around the time Phil (the governor) was vacating the area for what he considered a far more pleasant resting place a couple of Kms up the road. Pierre & Phil shared a couple of beers & some fish & chips at the pier, then known as Omeros Brothers, banged **Holeproof** once more, before Pierre took off for other lands, never to be seen again. Being French he probably ate some of the Abo mushrooms from the area & thought he was on Venus (shit sorry **Venus**) & disappeared into the depths of the Pacific, later to appear in Pirates of the Carribean with Johnny Depp.

Hannibal was then to entertain the group with his knowledge of all things French, particularly those suburbs in the Shire with French names, like Engadine, which is really Italian (Engadinaah) but is close to France & Louis XVI, who was the monarch at the time of Pierre, had annexed just about everything around him so we won't quibble.

Run Report

Hannibal decided that he hadn't contributed too much recently so committed himself to administer the last rites to Run 1536 & began by suggesting it was an area in which he had never previously ran, which means he missed the last 10 of **Jungle Janes'** runs. He was, however very complementary to her run setting abilities, keeping the pack together, taking him past the Pro Shop, which he thought was the knock shop but he'd forgotten his wallet & knew they'd never take an IOU from a solicitor, through the Rifle Range & Cemetery, where they bury all the people who attempt to run through the Range, before having to enter a no entry area, which he's used to seeing cause he's married. All in he thought the run to excellent & awarded it 9.9 out of 10.

Visitors: - Carpet Burn from Suzhou.

Athletes: - None

Birthdays: - Spinifex, Blondie, Anyway & Philli (don't ask me I have no idea).

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

Prickette and Prick nominations

Grewsome was nominated by **Rexy** for trying to lure unsuspecting Harriettes to the island with him but he forgot to bring his boiled lollies.

Hannibal was nominated by **Loan Arranger** for noting that the do not enter sign was something he sees regularly in the bedroom of his abode.

Dundee was nominated by **Grewsome** for suggesting to the former that he try a new hole or something.

Cold Duck was nominated by **Carpet Burn** for something about his wife which would have been completely untrue cause she's an extremely nice lady.

Rexy was nominated by **Slotcard** for not swimming at Bundeena for some reason, which wouldn't be because she can't swim, being a former State champion.

Spinifex was nominated by everyone who was at Bundeena last weekend for – something about little boys toys – boiled lollies – birthday cake – nobody will know if she dies (if that's the case she'd better start celebrating her birthdays again) – AGPU – no bloody idea what all that was about cause I wasn't there & can't write very fast & my hearing's fucked.

Pricks – Spinifex & Cold Duck

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.
