Run 1538

Run 1538 Pigs Annual Bush Bash

A Good Number of Members Gathered in the
Sty until on on was called by Bingo : I asked if there
was a map & he said no as he was trying to explain
the trail to Dundee : So Dundee took on the mantle
of stand in trail master : I spoke to Dundee on
the run & asked if he knew where the run went
& he said he had no idea : The trail was reasonably
well marked & kept the front runners together :
The ground was hard & the trail was narrow &
rough in many parts : A good run to end
summer with : on on QR.

Circle Report

Hannibal began by suggesting Heathcote was aboriginal for place being a bloody long way from anywhere – 36kms from the city, which has much appeal for many people residing there as it houses very few politicians & lawyers. It was originally called Bottle Brush but he didn't elaborate as to when or why it was changed to Heathcote, which is a less desirable destination – probably some dope in the local council had a relative, who he didn't like, living there. It was also the location of a Monsters Movie, in the local haunted house, very close to the Sty.

He then brought into play his political ambitions by ranting about the F6 extension, which should have been built 40 years ago, the local school system & some world renowned music teacher, who lived next door to the Sty.

Run Report

Joker had been selected to administer the last rites to Run 1538, which he considered was a bush run – bloody amazing assumption He never ceases to amaze people with these mind blowing perceptions – the rest of us were still removing spider webs from our bodies. He then made another amazing discovery – **Bingo** actually completed a check on her own & he saw her do it – incredible. And then she actually called on, wow!! The cost of these perceptions was exhausting him at this point so he decided to quit the presentation & awarded the run 9.5 out of 10.

Visitors: - Consumption & Tramps, who Hannibal mentioned became lost in Germany or something & Powerhouse.

Athletes: - Pseudo 100 walks.

Birthdays: - Cold Duck turned a well lived 61 years.

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

Prickette and Prick nominations

Holeproof was nominated by **Pig** for actually running, which is something he's never seen her perform previously.

Moa was nominated by **Dirty Weekend** for suggesting that her husband (the Duck) was turning 79 tomorrow just because he's having problems with his glutinous maximus (big arse) requiring surgery. I have a feeling we'll be hearing a lot more on this subject in future editions of the Trash.

Slops was nominated by **Powerhouse** for not getting out of his way on the run, when he was heading downhill with a strong wind behind & a wet sail,

Powerhouse was nominated by **Pig** for having the temerity to nominate his mate when he's still in recovery mode from last night's drinking bout.

Pig was nominated by **Son** for not being able to remember what form of transport he used to reach home from last week's pub crawl.

Pseudo was nominated by **Sunbean** for knowing exactly how many runs he'd performed & stating that he would kill **QR** if he didn't receive his badge tonight.

Pricks – Moa & Powerhouse

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

Dundee's Thought For The Day

Why is it that people keep picking up dog shit in plastic bags? Dog shit is biodegradable, plastic bags aren't. I'll bet almost everyone who picks up dog shit in plastic bags don't download it into a garden or the loo so it'd be better if they just left it where it shat & let nature do the trick!! I also bet these are the same people who complain about there being too much plastic & how it's ruining our seas & waterways..
