## Circle Report

**Hannibal** was back in the trusted GPS again letting everyone know that Botany was located 7 kms from the city but he failed to mention in which direction, which would have completely confused most of the female members, especially **Bingo**. He also suggested the suburb was renowned for its horses' heads & horses' hoofs, which creates an understanding of the type of people who inhabit the area. Just after Jimmy Cook discovered the bay, he, apparently, had a beer at the Botany Bay pub & enjoyed it so much he opened his own pub up the dirt track, of which we were to participate in attending later in the evening.

A little later some fool thought it would be a good idea to place a zoo in the area – fancy putting a zoo under a flight path?? It also became the focal point of the La Perouse to the city trams as blokes would come the area to shag Holeproof, go horse riding afterwards & visit the high pollution invading the ICI (Orica) plant – how about that I fitted all that rubbish in the same sentence. Oh & some stupid footie team called the Magpies won their first game for some years.

## Run Report

**Dame Nellie** had been selected to officiate the last rites to the run & completed an almost lucid presentation as to what he thought about it (the run) – it went past the pub (didn't), went round the park (didn't, the trail was set very cleverly to afford access to every available track & bush within the park), went over there (pointing) & over there (pointing somewhere else) & over there (pointing back to where he started). Then he spent time explaining **Bingo's** poor balancing act in trying to traverse a log in a pool before giving it (the run) 9 put of 10. **Rabbit** said the walkers enjoyed it (the run) too as if we cared or something.

Visitors: - **Powerhouse.**

Athletes: - **Rim Liquor – 400 very well run runs.**

Birthdays: - **None**

New Shoes: - **Joker & I'll keep mentioning it until he gets to drink out of them.**

## Prickette and Prick nominations

**Pseudo** was nominated by **Holeproof** for spending an eternity establishing himself & his trusty camera et al at the Thirlmere railway station to video the oncoming steam train arrival, then failed to turn on the camera or something & missed the proceedings. Now I would think that the aforementioned station is located some distance from his abode so it would've been extremely painful to him & I wonder whether, in order to compensate, he was allowed to put his engine in the tunnel if you know what I mean?

**Big Ears** was nominated by **Jungle Jane** for tearing a hamstring getting out of his car, which he almost never drives to Hash & we'll miss him & his very funny jokes for a little while. I know we should be feeling sad for him but, I think, everyone's still laughing.

**Spinifex** was nominated by **Holeproof** for trying to give her the prick hat whilst she was relieving herself in the Ladies Loo & by **Jungle Jane** for not being able to identify her car key cause it's a rental so she decided just to wait until everyone had taken theirs first & **Loan Arranger** for offering him a lift then not knowing how to unlock the door of her rental.

## HOLEPROOF'S PURPLE RUN FOR PSEUDO'S 70<sup>TH</sup> BIRTHDAY

MONDAY 21<sup>ST</sup> MARCH 2016

**Pseudo** becomes a septuagenarian (turns 70!) on Saturday 19<sup>th</sup> March & to help him celebrate this great occasion I am setting a run for all his Hash friends to come along & wish him well on Monday 21<sup>st</sup> March.

**Venue:** Limes Thai Restaurant (formerly The Nude Café)

**Address:** 14 Lime Kiln Road

Lugarno

**Time:** Usual start time 630pm

**BYO:** DUCK WILL HAVE A FINE SELECTION OF WINE TO PURCHASE

*Please note there is no grog shop nearby except at the Lugarno shops which are about one klm before Lime Kiln Road*

### **Directions:**

For those using GPS devices the nearest cross street address is Forest Rd & Lime Kiln Rd Lugarno

For those without any aid, even a street directory, take the Forest Rd exit (left slip lane) at the traffic lights at Peakhurst where Forest Rd from Hurstville/Penshurst/Beverly Hills changes to Henry Lawson Drive. Proceed directly across 7 roundabouts & when you begin descending after a long flat section of road, Lime Kiln Rd is the 2<sup>nd</sup> street on the left. I will erect a B2H3 sign at the corner for you!

**Bus 943** Hurstville to Lugarno leaves from the Hurstville bus interchange on the western side (Forest Rd ) of Hurstville Station at **17.38** (5.38pm) & will get you to the bus stop at the corner of Lime Kiln Rd & Forest Rd at 18.05 (6.05pm). This bus also leaves from Penshurst Station at 17.46 (5.46pm).

I hope this helps you find your way as I promise you an excellent scenic run with flat parts, steps, hills, bushland & a half way drink stop! Delicious nibblies at the bucket will help erase the pain of the afore mentioned hills & steps!

Looking forward to seeing you at the run to help **Pseudo** celebrate this great milestone!

### **POOR OLD BUGGER!!**

### WHY A PURPLE RUN?

Please wear something purple, as the 21<sup>st</sup> March is the 23<sup>rd</sup> anniversary of the day we lost our lovely Shampoo. Her favourite colour was purple. For those of you who did not know Shampoo she was/is the much loved, beautiful daughter of Cannonmouth & Bowerbird & sadly passed away aged 30years in 1993 leaving her husband, Champagne (David), 6 months old son Mitchell, <sup>Page 7</sup> Bowerbird, Cannonmouth, Tooth Fairy & her other siblings devastated beyond our imagination. B2H3 members were devastated as well as Shampoo was such a vital, vibrant, fun loving member of our Hash family & loved by us all. Wearing purple will help us remember with love this amazing young woman!

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

## Snickers' Serious Scientific Summations

New's Flash – “Snickers contacts aliens from a distant galaxy”. Well he didn't really speak to them because they're over 300 million light years away from Earth, which means the sound waves were probably close to a billion light years ago & they (the aliens) were screaming out for help as their world was disintegrating. But, with his superior knowledge of these things he was able to decipher the normally unintelligible noise as calls for help.

Unfortunately by the time Snickers would be able to reach them in his speed of light transporter, they would have morphed into a black hole one & a half billion years before & Snickers would have to take Anyway & a couple of concubines with him so they could bonk & reproduce a few hundred million times before arrival. But there was life & still could be, out there somewhere & who gives a rats cause we'd never live long enough to find them.

### Dundee's Thought For The Day

In my only short time as scribe for Botany Bay Hash House Harriers it has become apparent that, if I want harriers to view jokes on the web site, I need to provide heaps of naked women & plenty of tits &, if I want harriettes to view jokes on the web site I need to find heaps of jokes that abuse men & suggest they're bloody stupid, whilst women are ridiculously smart. Obviously there are more harriers than harriettes viewing the jokes.

Prince Phillip's most famous quote “If it has four legs and it's not a chair, if it's got two wings and it flies but is not an aeroplane and if it swims and it's not a submarine, the Cantonese will eat it.”

[The rest of his quotes are on the web site.](#)
