## Circle Report

**Hannibal**, was in absentia so the ever reliable **Duck** assumed the mantle once again & completely remodelled the usual presentation style, thereby fucking my pre-set recording of events. I mean as if the job isn't difficult enough, now I have stuff all over the page & most of it unintelligible so I'll probably have to interpret what's written & cop the usual abuse.

I think he started with suggesting Caringbah was the Jewel of the Shire, then, immediately went to visitors & birthdays & the Run Report, then back to Caringbah – no wonder **Dirty Weekend's** in a perpetual spin. But he's extremely lucky to have her as she compensates his directionless demeanour with a cool, calming understanding – well I saw her shaking her head a lot so I presume that's what she was doing.

Eventually he returned to the task at hand, stating that the suburb was originally named Highfield in 1911, probably after the Glen McGrath Oval. The name was changed a little later (didn't get the date) to Caringbah, which is abo for “let's throw pigs out of pubs” by someone called Paddy Melon Botany (buggered if I know). It was also known for its market gardens & other notable attractions such as **Bingo's** residence & the pub (Billy Smith's residence), where the meal of the day is Pickled Pig.

It was also noted that the Cronulla fraternity – **Joystick, Mudflap, Snickers, Anyway, Stopcock, Sniffer etc.** were absent probably because it was too far from home.

## Run Report

**Joker** was elected to handle the last rites for the run in his sandals & made comment that it was a runner's run – bloody brilliant observation – which had lots of lanes frequented by night ladies of the area – **Holeproof & Venus**. He also suggested he saw **Bingo & Dundee** bickering – eh never - & he found 2 checks in a row, which qualified the run 9 out of 10.

Visitors: - Consumption & Tramps – original B2H3 85ers. .

Athletes: - None.

Birthdays: - Holeproof – 206 I think but she wasn't there so we all celebrated.

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

## Prickette and Prick nominations

**Venus** was nominated by **Kizzme** for knowing all the back alleys in the Shire & bragging about it.

**Bingo** was nominated by **Pig** for getting lost trying to find the run start in a suburb where she resides but nobody was surprised.

**Rimmy** was nominated by **JJ** for I dunno but I think she called her a “Black Bag”, which is very demeaning as she’s an extremely attractive young lady of very high repute.

**Loan Arranger** was nominated by **Bower Bird** for getting himself lost on the run even though he set the bloody thing.

**Doc** was nominated by **Loan Arranger** for suggesting he sets all his runs with a utility belt, full of flour & water just in case he wants to make a cake to satisfy his hunger or something.

**Dame Nellie** was nominated by **Kizzme** for arriving at last week’s Anzac day Run at 9:30 after everyone else had left.

## **Pricks – Bingo & Loan Arranger.**

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

## Dundee's Rant of The Week

The problem with the TV show "Utopia" is that it completely overvalues the intellectual capabilities of the politicians & bureaucratic departments it satirises.

### Snickers' Serious Scientific Summations

Snickers was unable to slow the Gulf Stream so he's suggesting to the dopey politicians that they utilise the previously uninhabitable land masses – Canada, Alaska, Russia, Greenland etc. to deposit all the middle eastern immigrants in Europe, where they'll probably freeze to death because they're too stupid to be able to look after themselves.

On another benefit, the world's shipping lines see this as a great new way to access Asia from Europe & Eastern USA for their commodity produce, via the Arctic, which will ease the burden on the Panama Canal widening & the long journey around the capes.

Snickers can only see real benefits from the slight temperature range in our atmosphere.
