## Run 1548 – Goon's Mad Woman's Circle Run

Everyone was watching the clock to get off the mark. OnOn was called right on time (**Bingo Time**) and it was down through the Park; hard on the legs going downhill (*actually tougher on my knees QR*). The **first check** (*Don't we have a Hariette by that name?*) was at Carr Street Across Carr Street and into Byron and Coogee Bay road with an Onback.

Trail was found in the lane off Coogee Bay road to the start of the first (*Mad Woman's*) loop with a Check half way through it (*the Mad Woman*).

Into Domain Street for the second loop with a check half way (*there's an emerging pattern here.. trail or QR's recount of it..*).

The On to High Street and another Onback A few more streets with an Onback (*as frequent as chicanes around Coogee*) in Milford street and another Check through Park across our already run trail (*unless you walked it of course*) and back into Coogee Bay Road again and another Onback and trail took us (*my feet took me..*) to a check at St Pauls Street on to Barker leading to another loop (*contraceptive device*) with an Onback on Howard.

Howard (*Howard, Howard who the F\_\_k is Howard?*) was also in the middle of a loop (*Coitus interruptous*) On to the next loop with an Onback (*I'm tired*) at Oberon Street (*and lost*) and a check at Canberra Street back on to Oberon (*and dizzy*) Into Greer Street round a Park to a Check on Rainbow Street (*I want Bucket!!!*) down Rainbow and along the other side of the Park to another Onback in Uberton Street into Higgs Street and On home.

A good (*unpunctuated*) run with lots of Loops (*protected sex*) and plenty of Hills.

Well done **Goon**

OnOn

**QR** (*and Bingo*)

## Circle Report

Runners were returning from all directions as it became obvious that the hills and steps of Coogee had tested our mettle and given most an excuse to shortcut home. Being back early, **Blondie** and **Doc** formed a rescue team and retrieved a lost mobile phone which fell from a local's pocket. That's what happens when you take your hand off it!

**Cold Duck** made it back looking a wee bit exhausted after his first run since some mysterious injury tethered him to the walkers.

**Tickle** decided as guest TM to 'Lead from the Front' where she could keep an eye (at the back of her head) on **QR, Hannibal, Dane Nellie, Joker, Bingo, Rim Liquor, Saint, Squatting Squaw** and **Merkin**.

Given the distance the Shire was well represented. **Cannon Mouth, Bower Bird, Dish, Goldmart** and **Venus** had all received the memo to wear club jackets. **Dundee** having run the whole trail (at least his version of it) brought in the back of the Pack and then fell to his favourite pastime of checking who had read his Jokes and settling on a repetition of the now much-advertised 'Dickens Cider'; the humour escapes me.

At exactly 19:43 **Hannibal** called 'Circle Up'

Attending to proceedings in an arse-about-face manner, **Hannibal's** attention went straight to his dissertation on the Coogee Ladies Only Paths. That is Ladies and Boys under 12.. have you seen the bum fluff on some 11 year olds! Apparently **Kizzme** has been a keen Pool user over the years which have only served to increase her interest in little boys.

There followed a tirade of chavanistic little boy references:

- 1886 saw the last erection at the Baths
- Acomodated Nuns, Tea Towel Heads and Lesbians
- Attracted Perverts and Peakaboos
- Some Fanny won a Gold Swimming medal

As you can imagine, the last reference then brought on an avalanche of alternate names for female genitalia.

## Run Report

**Loan Arranger** made himself available to provide the run report. **Goon** obviously spent the morning watching Rocky I II III IV and V. The 'Rocky Run' **Loaner** dubbed it! I heard the word 'Artistic' but cannot imagine to what it applied?? We ran around and up and down and hills and stairs and and.. The run earned a 6 and the location a 0.9 thus a 6.9

**Loaner** isn't a Rocky fan.

Visitors: - **Not tonight**

Athletes: - **None.**

Birthdays: - **Scotch Mist** celebrated a recent birthday and then I have some nonsense about her being insulted over some sports question; then a note to mention my incredible success at the NRL tipping at Kogarah Tavern. Whatever.

New Shoes: - **Joker & Dundee will keep mentioning it until Joker gets to drink out of them.**

## **Prickette and Prick nominations**

**Merkin** nominated **Powerhouse** because he had graffiti'd his name on a large vehicle nearby but he wasn't in attendance.

**Rimmy** nominated **Dundee** because he kept crossing and re-running trail sections in the hope of coming out in front.. I mean leading from the front.. with Tickle.

**Jungle Jane** nominated **Dundee** for ensuring last week that everyone knew he would be in China this week but like a bad penny (Penney?) turned up anyway.

**Goon** nominates **Blondie** because of her physic ability to determine key owners by the feel of their car keys. I wonder what she can determine if she smells them?

**Goon** nominated **Slotcard** for returning to bucket after a walk around the Park and then proceeding to have a post wander hand-stretch. One wanders who received the hand-job?

**Jungle Jane** nominated **Slotcard** for using QR as target guide while reverse parking.

## **Pricks – Slotcard and Slotcard**

*(Not sure if I got that right, but well deserved!)*

A special thanks to **Joker** for keeping the Guest Scribe's champagne topped up while she toiled in the dark!

OnOn

**Bingo**

**Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.**

**Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.**

**Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.**

**On On to the BIG 80th!!!**

**Hardy Boy Organising Secretary Motherhash's 80th Anniversary**

**Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.**
