Circle Report

Hannibal, with no time left – the last of the runners arrived at the bucket @ 7:45 & the pre-ordered food was going to be ready @ 8:00 – so he let go at a great rate of knots, which left you're poor stenographically challenged scribe in his wake. (Bloody stupid spell check has never heard of "stenographically"). There was something about Narwee being in the top 10 suburbs between Beverly Hills & Riverwood, which would certainly be correct as it's the only suburb.

He also mentioned Broadarrow Road as being the only such named in the world apparently but I don't know where he sourced that info so can't endorse the claim but spell check has never heard of it. Then he said that Narwee was abo for Sun & Jannali was abo for moon & I was waiting for him to suggest **Spinifex** was abo for Big Bang but he didn't so we're all saved.

Then he started spruiking about his Labor Party affiliated friends – Maurice Yemma, who attended Narwee High – now that's an oxymoron, maybe Narwee Correctional Facility – where other attendees were Big Ears, Merkin, Sir Les & Snickers. Of course he also mentioned the pub but I have no idea as to why.

Run Report

Duck decided to officiate over the last rites for the run & suggested the was long, four subs or something, long Roselands, long & long & suggested it was worth 7 out of 10 but your ever efficient scribe believed it was an excellently set run & worth a lot more but h wasn't listening as he'd pissed off home to watch his team almost lose again.

Visitors: - Dunno we didn't have time

Athletes: - Dunno we didn't have time

Birthdays: - Three I think but we didn't have time

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

Prickette and Prick nominations

Big Ears was nominated by **Hannibal** for perving causing severe damage to his head – see jokes

Slotcard was nominated by **Hannibal** for something else but I didn't hear it.

Pricks – Big Ears & Slotcard

Jokes: -

I was reading about the fact that hearing loss causes loss of balance & was wondering whether the new imprint of an “H” on Big Ears left temple will now make him Big Hears & overcome his propensity to head but pavements & main roads?

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.
