July run hares needed, there are now 9 unhared runs before Tickle's run.

Run1553

I arrived at the pub to be harangued by JJ because the run was supposed to start at 6 and DUNDEE fucked up. Usual hash snafu, who cares. QR was busted so couldn't TM and I gracefully accepted his plea for me to TM. Thanks to all those who agreed it was the best run since the last time I was TM.

Looking at page 1 of the trail map the route looks like the shape of a ladies nether region under garment. I will bring it along next week and show you for \$1.00 a peek.

The walkers walked. HOLEPROOF, I always listen to you.

The running pack consisting of RABBIT,DIGIT,TICKLE,DUNDEE,SIR LES, QR,DUCK,GOON,MERKIN,PIG,ME and those I have forgotten ,did a small mad woman's loop then on to the Devonshire Street tunnel. At the end we were in Chinatown and the trail went along an old goods line. It then went back up to Broadway and into the old brewery site which is now a shopping centre. JJ set the trail around the Vivid lights there but only DUNDEE found them and was lost from trail from that point.

We headed up Cleveland street into Prince Alfred Park where RABBIT trod on MERKIN'S foot. He went home then as did RABBIT. The pack headed in Surry Hill onto page 2 of the trail map thru Ward Park and across the footbridge into Moore Park and across the Albert Tibby Cotter Bridge where JJ couldn't find the bathroom.

We were near Kippax Lake so I shortcutted the pack in a diagonal manner across the park and then back down Surrey Hill to the bucket .DIGIT eventually arrived to receive a special B2H3 welcome.

Thanks JJ, the run was a good one; I did really well as guest TM and ensured it was a success.

On On Hannibal.

Circle Report

Hannibal, the vocal oracle, with typical aplomb – oh fuck I think I'm losing it now – began by taking the position of the Run Reporter & assuming the role because he could & because he did (act as Trail Master) & I think I've lost it completely now.

Well we were in Surry Hills (not Surrey Hills JJ) & there were 22 pubs we passed & he suggested he hadn't visited all of them – what's he been doing all his life – he missed the Vivid show & then he mentioned something about Norfolk Place, whatever that is & then said something about JJ & 22 turds but I'm at a loss to understand why & he passed over to:

Run Report

Goon talked about being in a different place (worried that he doesn't travel much) & the run was very interesting & ran over the Tibby Cotter Bridge, which creates some sort of record because very few people have any understanding where, why or who it & he is/was but it's become a nice sculpture for the eastern suburbs until it's torn down for the new tram operation, which, in itself, will probably be torn down as its predecessor experienced in the late 50's & it only cost \$22 million. Bloody cheap I reckon for something that nobody uses & is named after someone of whom nobody has ever heard.

Then he talked about Vivid & lots of lights, none of which he experienced as he was off trail & only the scribe, of the runners, who took in the magnificence. He also mentioned something about plenty of lights & arrows & gave it 5 out of 10 & then noticed JJ withdrawing her Bowie knife & changed it to 9.5 out of 10.

Visitors: - **Digit Digester** but she was missing in action.

Athletes: - **None**

Birthdays: - **Sir Les & Slotcard** & I'm not stupid enough to suggest that he isn't the elder.

New Shoes: - **Joker** & I'll keep mentioning it until he gets to drink out of them.

Prickette and Prick nominations

Slotcard & Holeproof were nominated by **Pig** for being Hobbits & too small to see but with superior intellect to most Hobbits as they profess to garble on ad infinitum about nothing to anyone who's deaf or stupid enough to listen.

Rabbit was nominated by **Merkin** for something about being pushed over or something.

Hannibal was nominated by **Holeproof** for ignoring her, just like everyone else.

Duck was nominated by **Jungle Jane** for something, which I couldn't hear because she whispers everything.

Pricks – Dundee & Holeproof

Jokes: -

None

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

Dundee's Rant of The Week

What is this requirement of women attending the toilet with a friend? Is it they're worried about being accosted or raped on the way? (Some of course would be appreciative of the fact so it wouldn't be rape). Or is it that they want to listen to each other take a dump? Don't know the answer except that if some bloke asked me to go to the toilet with him, I'd immediately deck him then call the police. He'd be instant non gratia with anyone I know including my grandchildren & would be in front of a magistrate in no time. And no it doesn't mean that Pig or Big Ears should try to see if I'm serious.

I realise this may create some paranoia with Harriettes now.

Snickers' Serious Scientific Summations

Snickers is resigned to accept that Trump will be the next US President & has designed an outcome that will please no one but may save the world from devastation. It is established around the fact that, middle - eastern conflicts & refugees have shown, there are sections of the world highly overpopulated. The answer is another major world holocaust centred on Africa & Asia but including sections of Europe, where there are religious tensions.

The idea is to destroy religion once & for all as the basis of any power in western society, which will encourage the death of the social welfare state & reinstate hard work as the basis of life. Donald, of course, will be the smoking gun for this transition, by instituting himself as God of the Planet Earth, thereby creating the ultimate illusion & saving the world.

Snickers has done it again.
