Circle Report

Hannibal, began by relating his latest horoscope, which was Capricorn – The Goat - & he told of some amazing misadventures undertaken by Goat people that involved heaps of unspeakable sexual activity. Unfortunately I can't write fast enough or have sufficient understanding of unspeakable sexual activity so it'll remain unsaid here. What he failed to say was that Capricorn is the money sign so obviously there aren't any Capricornians in Hash.

He then started in about Pagewood being some distance from the CBD but I missed it but there was a Cigarette Factory in the suburb – Rothmans I think - & a car factory – Holden, where the first Holden was built & so was the 5,000th. , which was exported to Trinidad, obviously because it was a dud & it was thought they wouldn't understand. The site also manufactured the well appreciated Shaggin' Wagon, which used **Holeproof** as its testing model - I think **Holeproof** & model in the same sentence may be an oxymoron.

It was also the suburb that launched the career of that terrific sort Christine Kennealy (I think that's how you spell it), who was once described as Eddie Obede's girl but I don't think that ugly old bastard could have enough money to entice her. She was also (according to the RA so he must be believed) responsible for leading the Labor Party into oblivion in NSW & everybody cheered so she's very much loved by everyone as well as Dundee. She now resides in Hunters Hill, just across the river from Tony Abbot's former school so she's turned to the right just a bit.

Run Report

Scotch Mist was selected to administer the last rites to the run & began & finished her presentation by saying it was a good run that kept the pack together – very conservative with their words as well as their money these Scots. It was awarded 8 out of 10.

Visitors: - None.

Athletes: - None but Dundee was given a very honourable mention for his 1,000, which wasn't deserved as he's a useless heap of shit.

Birthdays: - Goon & QR, who forgot he had one – Alzheimers.

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

Prickette and Prick nominations

Bingo was nominated by **Goon** for, when asked why he couldn't see her running said that she was injured but if she was running he wouldn't see her anyway & **Goon** agreed.

Bingo was also nominated by **Blondie** but I missed the nomination.

QR was nominated by **Goon** for suggesting he was standing on his dry spot – must think he’s a bloody sheila – what’s a dry spot?

Dundee was nominated by **Spinifex** for not completely exposing his magnificent physique for her to admire as she was parking the car as he was changing & the real reason was that he’s getting bloody slow these days & was worried that the exposure wouldn’t have revealed anything.

Loan Arranger was nominated by **Rimmy** for showing her his full moon on the night of the full moon.

QR was nominated by **JJ** for something dunno.

Joker was nominated by **JJ** for forgetting his car keys.

Rexy was nominated by **Dundee** for not appearing at the venue that has a **Rex Bar, serves Rex Salad & Rex Burgers**, which **Hannibal** calls **Furburgers** cause that’s from where his hash name emanates.

Pricks – Bingo & Dundee again of course – better buy him a new pair of glasses so he can see further than his prick.

Jokes: -

Rabbit told one.

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.
