Run 1727: 14 October 2019

Hare: Rabbit - Olds Park Penshurst

Starters Gun

Most of the front-of-pack runners started arriving in the new 'Watermelon' livery and pretty did they look.

We spied **Rabbit** sitting in the Park alone, engrossed in the ball skills of a group of lanky youths. **Cold Duck** was pre-occupied with trying to find **Dirty Weekend** and **Joker** enjoyed some Parking Permit envy from those early arrivers grouped around his car.

Venus and **Moa Goa** (in her new shoes) cruised the street, passing umpteen parking spaces and settled for the top intersection position – preparing for a quick post-circle dash to the Thai Restaurant. As **QR** and **Slot Card** joined the growing Pack by the roadside, Cold Duck confirmed that he'd located Dirty Weekend - she was parked near the OnOn and would wait for the Pack to find her – very economic use of time and energy DW !

Dundee had decided to break Rabbit's fascination with the local youths and joined her in the Park. Rabbit, ever the gracious host(ess for the not so gender fluid..) decided to politely request the Road Pack to join the Park Pack, thus giving the front runners a 20m disadvantage.

Hellismellher and **Doublebangher** turned up on time and in the new Livery; their New (Hash) years' resolution to get running, clearly written on their faces. The countdown had begun, the usual comparison of whose watches best reflected the correct time erupted; Blondie was chalked, mapped and ready to go (with mentor Tickle similarly armed), the Pack headed out.

Run Report

Rabbit's Resourceful Rampage

New Committee, New Scribe, New TM, Old Hare, big pack of runners, what could go wrong? Well nothing really except it wasn't quite summer yet & the sun set around halfway into the run, thereby disorienting **Cannon Mouth** - never to be found at circle & must've decided to walk home because he was located at Oatley Park some time after proceedings ended.

It was a full moon but nobody noticed due to the low cloud cover so we set off up & down all the bloody hills to be found in the area towards South Hurstville, before doing a 180 towards Beverly Hills & a 90 towards Peakhurst. It was about here **Grewsome** (spellcheck can't handle B2H3 names) decided to head back early & missed 50% of the run, leaving **Blondie** to rally the troops towards Olds Park.

Duck, Bingo & Dundee decided to run through the next On Back in order to make the bucket before midnight & headed off to Mortdale. With the rest of the pack in tow, **Blondie** religiously followed the map, which meandered from Peakhurst to Mortdale not displaying any short cuts to assist & arrived at the almost empty bucket around 7:45 in complete darkness.

Excellent run **Rabbit**, a little later in the year would've been perfect.

On On Dundee

Après Trail

The Front runners returned to find the Bucket in full swing (or is that Swig) **Grewsome** and **Scotch Mist** brought and handed over the Bucket but it was not clear to whom; **Doc** and **Stopcock** appeared hesitant about the shared arrangements.

The recent AGPU was dissected and those that had not made it, including **Pig** and **Brockie**, were informed of the delights they had missed.

Rabbit had laid out après trail nibbles so **Goldmark** (sans all that gold glitter), **Dish** (sans medical greens), **Grenade** (looking a little less Glamorous), **Venus** (Collar-less), **Sniffer** (with no concern for her Sandra Dee svelte form), **Taxing** (Towel-less), **Dame Nellie** and **Kizzme** tucked into the offerings.

Circle Up

Time was of the essence and **Cold Duck**, clipboard and light in hand called 'Circle up'. Given the space available, it was one of the largest circles B2H3 have had in quite some time.

Wait!!! Where the F__K was Cannon Mouth?

F__k it Proceed, he'll turn up sometime (**Bower Bird** looked confident, but of what, will remain a mystery).

RA's Report

After a heated debate on the actual suburb name, Cold Duck who had clearly researched Beverly Hills, ignored all facts and furnished the following:

- Googled Beverly Hills – first thing to come up was Events Cinema – **Showing Joker**
- Kept Googling
- Wasn't aware B.Hills such an affluent area, or is it effluent?
- Famous people who live here – Katy Perry, Taylor Swift, Jennifer Anston & Jennifer Lawrence to name a few – who would have thought?
- All live near **Top Bunk** and **Winning Streak** (CD actually called her Winning Street) on Rocky Point Road,
- Originally a gig ranch growing Lima Beans.
- When developed into a town, blacks and Jews banned from buying property here – so headed to Western Suburbs.
- Famous Beverly Hills Hotel up the road on King Georges Rd – home to many celebrities visiting from North Shore & Western Suburbs - **Spinnie** stays there regularly when venturing south.
- Most famous thing to come out of Beverly Hills??? Beverly Hillbillies of course.
- Little known fact, local actors were drafted to be the stars of the show.
- Jed Clampett – **Dundee**, Granny – **Bower Bird**, Ellie May – **Goldmark** & Jethro – **Sir Les**.

Run Review

Given 5 nanoseconds of notice, **Scotch Mist** delivered her verdict:

- Too Long by 30%
- Hilly
- Lots of Up and Downs (probably due to the above)
- Round and Round (She got lost)
- Good checks (somebody else was checking while she rested)
- Clear arrows (ask Rabbit where she sources her multi-coloured 'chalk')
- Awarded the run **30% less than 8.5 = 7**

Visitors

Caboose – visiting from the United States

Scott – Keeping Doublebangher and Hellismellher honest

Tit and Coming – Thirsty Hasher who is very fond of Sniffer (hugs and kisses)

Athletes

None known to **Blondie**.

New Shoes

How **Moa Goa** and **Merkin** missed a shoe-down is beyond me!

Pricks

Scotch Mist	Pig	It appears she is solely responsible for Japan beating Scotland.
	Grewsome	A lack of mathematical skills (see Run Review).
Brockie	Goon	Not having a clue where she was (most days?).
Grenade	Goon	She loves coming down with a 'Bang' (I wouldn't come any other way!).
Moa Goa	Dirty Weekend	Nominated by Dirty Weekend for disrespectful references to Hash Athletes, Dundee and Cold Duck (I think that is stretching the meaning of Athlete!).
Doc	Tickle	Being confused about who was on or off Committee.
Cold Duck	Grewsome	Referring to Stopcock as Softcock (who then invited the Pack to verify).
Goon	Pig	For berating him on his tardy arrival to the run and generally being a bit of a Prick.

Pricks: Moa Goa and Goon
