Run 1827 – Blondie - Mascot

Run Report

As we gathered in the carpark in Mascot, Dundee was forecasting rain as he radar on his phone lit up like a Christmas Tree, much to the dislike of Blondie, Doc and Dish who had set the run earlier in the day.

On On was called and off went the front runners including Grewsome, Cameron, Andrew and Scotch Mist only to hit an on back on the first street. Back they came and we headed south along Botany Road, before crossing over and into the back streets.

Pig and Hell I Smell her were setting a good pace, which was to quick for Double Banger who decided to join the walkers including Bingo, Goldmark, Dirty Weekend, Cannon Mouth and Bower Bird.

We only had one Goon this week, to Tickle didn't have to think to much about who she was taking home as she stayed close to the TM seeking a couple of shortcuts.

Round and round we went through the back street, until Cold Duck stopped to chat to his niece and family who were in lockdown but came out onto the verandah to cheer us on. The rest of the pack kept going, but Duck decided to short cut home.

Great run and great map (street-directory.com.au) and worthy of the 8.5 score from Duck.

CIRCLE UP!!

Doc decided as the run was from Mascot that we should adopt an Airline type vogue & as Captain, called on First Mate Duck to administer the Run synopsis:

The recruitment of Duck as the Run Reporter was not probably the best idea cause he decided to spend most of it talking to his niece & family, thereby missing most of it, shortcutting home. What he thought after officiating as Religious Advisor for a couple of years that now he could just sit back & abuse the new RA.

So we heard little of the run except it had some lanes & was flat but his niece's son was 7 & had Covid so was in lockdown, riveting stuff. By the time he thought about the run, the pack was gone so he had to shortcut to the bucket. Wonder what excuse he's going to use next week.

No idea what or if he gave it a score.

Doc then decided to introduce a new element into the Circle – great idea:

Visitors

Welcome to our old hands again – Curtseying (the golf course Gods haven't been kind) & Bren Gun

Birthdays

Doc celebrated his 21st again on the weekend – it was as wild as his first one - this was exactly the quote from the Trash eight years ago so I didn't change it.

Badges

None cause the transition from Grewsome to Merkin hasn;t happened yet.

Prickette of the Week

Blondie – nominated by Pig, who thought it was unusual for Doc to be paying for everything as it was his birthday & there was a temptation to ask wasn't he (Pig) married but then, I realised, that Pig's other half wasn't in the Circle so he could get away with anything he wanted. I decided to include it in the Trash in case she reads it.

Scotch Mist – nominated by Grewsome for locking herself in the garage at work & ringing him to come get her out because she'd lost her car keys & wanted him to come & let her out & find her keys or something like that. Then some bloke in her office helped her to find her keys but didn't open the garage = this is where I completely lost the plot, why didn't he let her out of the garage? Probably missed most of the rant & nothing like that occurred.

Tickle was nominated by Goon for behaving like a good partner & leaving him to fend for himself by heading off to work in Parramatta, where she hasn't been for 18 months, working from home but decided that was a better option than caring for her totally incapacitated partner – his wanking hand was in traction. He couldn't even open a beer. Should be Prickette of the year.

Prick of the Week

Goon – nominated by Pig for having a bionic hand to go with his bionic knee, thinks he should be called Mr Robot.

Joker – nominated by Dirty for having the temerity to retire this week, thereby relinquishing all rights to allowing us to park for free at the stadium.

Grewsome was nominated by Scotch Mist for organising a hire car for their trip to Byron Bay but when arriving found out it was the wrong day & they had to bus it into town.

Winners – Scotch Mist & Grewsome

Two Crocodiles were sitting at the side of the swamp near the river. The smaller one turned to the bigger one and said, "I can't understand how you can be so much bigger than me. We're the same age. We were the same size as kids. I just don't get it."

"Well," said the big Croc, "What have you been eating?"

"Politicians, same as you," replied the small Croc.

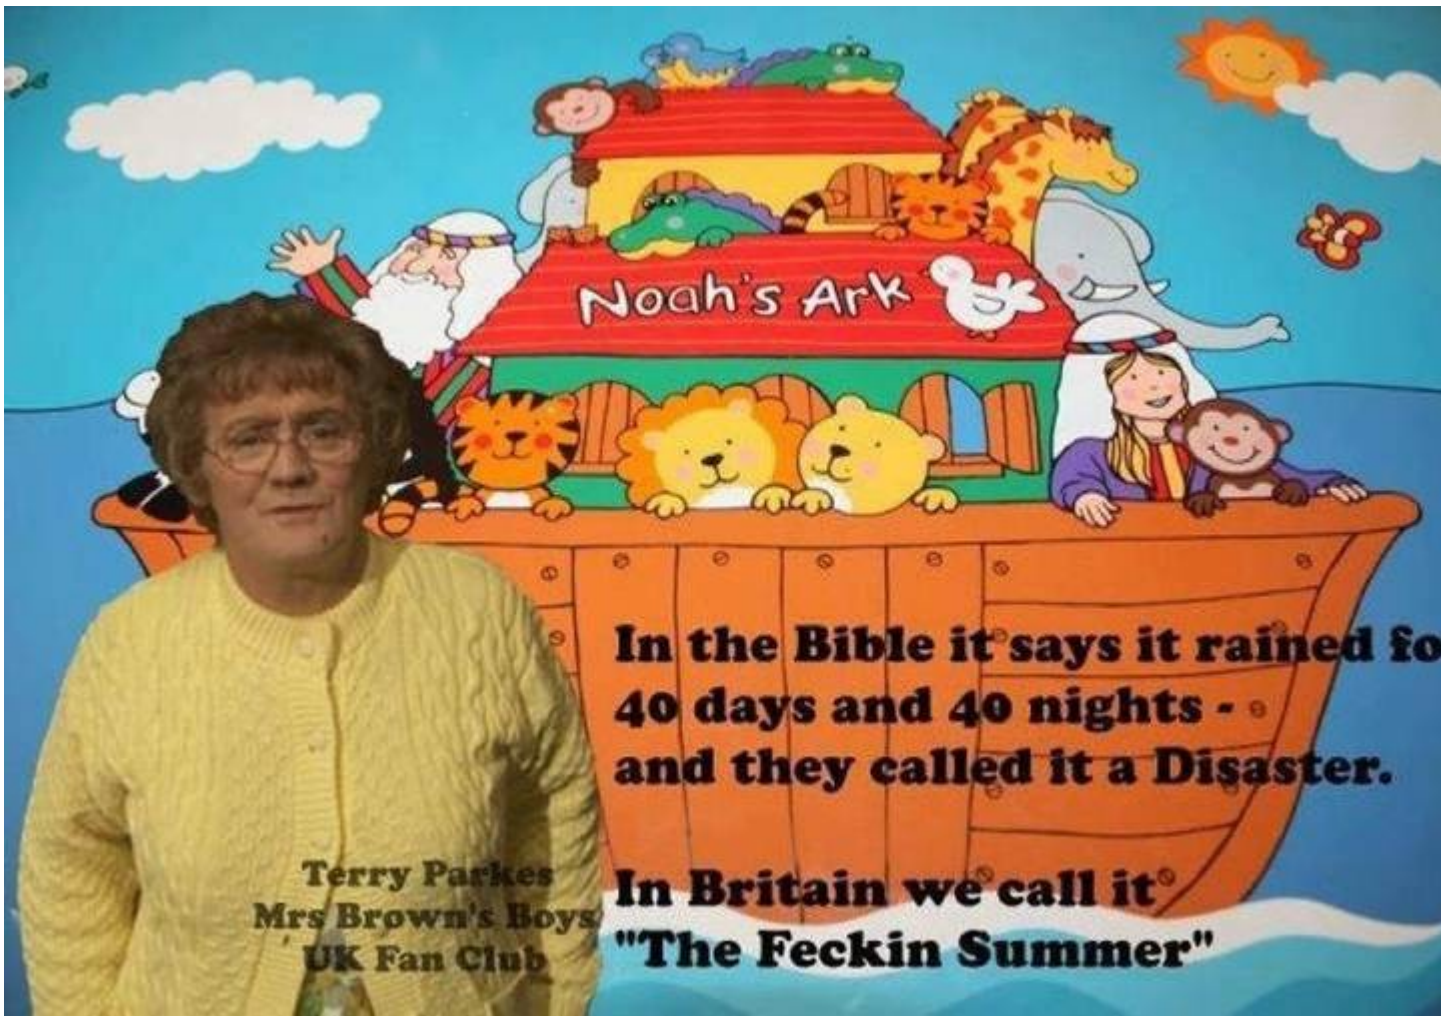

"Hmm. Well, where do you catch them?"

"Down the other side of the swamp near the parking lot by the Parliament Buildings."

"Same here. Hmm. How do you catch them?"

"Well, I crawl up under one of their Lexus cars and wait for one to unlock the car door. Then I jump out, grab them by the leg, shake the shit out of them and eat 'em!"

"Ah!" says the big Crocodile, "I think I see your problem. You're not getting any real nourishment. See, by the time you finish shaking the shit out of a Politician, there's nothing left but an asshole and a briefcase."
